COUNTY TEACHERS AT SHENANGO SCHOOL FOR SESSIONS OF INSTITUTE

Former Governor Dr. M. G. Brumbaugh Is Among Week's Instructors

Morning Is Devoted To Registration; Instruction Begins This Afternoon

Nearly 300 school teachers of Lawrence county gathered this morning at the Shenango township consolidated school, East New Castle, for the seventy-fourth annual institute of the School Teachers of Lawrence County.

The forenoon was devoted to the registration of the teachers and the viewing of the new school building in which the Institute is being held.

Former Governor Here

This afternoon the real sessions of the week opened at 1:30 o'clock with Rev. Claude E. Downs leading the devotional meeting.

Three noted speakers will speak this afternoon.

Dr. Robert C. Shaw, deputy superintendent of the Department of Public Instruction, Harrisburg, will speak on "Pennsylvania's School System." Dr. O. T. Corson, former state superintendent of education of Ohio, will speak on "The Largest Factor in the Improvement of Schools." Dr. Martin G. Braumbaugh, former governor of Pennsylvania will speak on "What is Knowing."

This is the first time that a Lawrence County Teachers' Institute has been held outside of the city of New Castle. This is made possible by the fact that the new school building at East New Castle can accommodate the Institute as well as any place in the city. An auditorium capable of seating nearly 700 people is found in the new building and the many class rooms makes it convenient for committee meetings and smaller meetings.

Good Facilities

Since the teachers in attendance do not include the teachers in the city schools, most of the teachers from all

Will Hold Inquest Into Plane Crash, Three Are Killed

(International News Service)

FLINT, Mich., Oct. 10.—an inquest was expected to be held today into the deaths of the pilot and two passengers who were cremated when their airplane caught fire after falling 100 feet.

William Clounie, 35, the pilot and Joseph Holzer, 19, and Carl Ebert, 24, perished in the blazing plane.

As Clounie was banking for a turn the motor stopped and the machine crashed.

Wagers Brisbane $5,000 Coolidge Will Run in '28

(Special To The News)

HOLLYWOOD, Cal., Oct. 10. This is to my friend, Arthur Brisbane. Now, Arthur, here is the proposition: You keep saying Coolidge won't run. I have always said he would, not because he wanted to but because he has to.

Now I am not for a moment conceited enough to think my opinion is as good as yours on any subject, but you writers can write one way and believe another; but no man bets one way and believes another.

In fact the only way to back a opinion is by some deed or some money, not by an editorial.

So I will bet you $5,000 that he runs, no ifs about it.

I bet he runs you bet he doesn't, the winner to give the $5,000 to charity, preferably to form a society for the advancement of political knowledge.

Yours,
WILL ROGERS.

P. S.—This whole thing is not any joke either. When a comedian bets $5,000 it's a serious business.

Round Egg Is Brought To News

Mrs. Paul Daytner of English avenue brought to the News office this morning a very unusual looking egg which was laid by one of her hens.

The egg is perfectly round and resembles a billiard ball in size. It is on exhibition in the business office of the News.

Charges Remus Responsible For His Wife's Actions

Brother Of Murdered Woman Comes To Defense Of Her Name

ASSERTS REMUS CAUSED SITUATION

Declares Remus Threatened Her Life On Many Occasions Recently

(International News Service)

CINCINNATI, Oct. 10—"George Remus introduced my sister, Imogene Remus, to Franklin Dodge and told her to cultivate him regardless of what embarrassment it may cause her in the future," Charles Harry Brown, brother of Mrs. Remus, said this morning.

"I have in my possession letters in Remus' own handwriting instructing her to 'play up to him because he was the last chance to help him out of jail.' These letters will be turned over to County Prosecutor Charles P. Taft to assist him in the prosecution of George Remus.

Last Statement.

"Regardless of what statements George Remus gives to the public," added Harry Brown, "they will be nothing but a mess of lies unless he tells of his true relations with my sister.

"This is the last statement the members of her family will issue. We would not be making this one but for the fact that Remus continues to sit in his cell and boast of his deed.

"My family and I feel that we are compelled to let the world know the wrongs this poor woman, my sister, has gone through.

"He has threatened her life innumerable times and she had lived for the past two and a half years in constant fear of her life.

"Remus tells of Imogene looting his home in Cincinnati. It's ridiculous. We have canceled checks showing

Grim Wager Made In Chicago Jail Is Now Recalled

Death By Suicide Of Russell Scott Recalls Strange Bet Made With Slayers

(International News Service)

CHICAGO, Oct. 10.—Grim wagers with death, made by three murderers, were recalled here today with the death of Russell Scott, who chose suicide by hanging in the county jail here as the final disposition of his long legal battle to cheat the gallows.

Scott and Bernard Grant, youthful slayer of a policeman, and Richard Loeb, murderer of Robert Franks, occupied adjoining cells in jail here while awaiting trial.

"What odds will you give me that none of us goes to the gallows?" Loeb asked a newspaperman.

"A hundred to one," was the answer.

"We'll take the same bet," spoke up Grant and Scott.

"I might not be able to pay if I lost," laughed Loeb.

Today Loeb is serving a life sentence. Grant was stabbed to death by a fellow inmate and Scott lies in a morgue, a suicide.

First Names On Hotel Register During Morning

New Hotel Open Only To Delegates To State Convention

EXPECT ROOMS TO BE FILLED FOR WEEK

Public Will Not Be Admitted To Hotel Until Formal Opening

At nine o'clock this morning the first names to be written on the register of The Castleton, New Castle's newest hotel, were penned by Miss Margaret Slattery of Boston, Mr. and Mrs. W. E. Meyers, B. A. McGarvey, L. L. Abner, T. E. Taylor and Miss E. S. Rodgers, all members of the Pennsylvania State Sabbath School Association, which will convene in convention here Wednesday, Thursday and Friday of this week.

Although the hotel does not officially open until October 22 the management, as a special concession, has granted the use of the hotel to the convention visitors during this week.

Only For Delegates.

In one of the first floor show rooms, officials of the convention will have an office. No one other than delegates will be admitted to The Castleton during convention week, and Manager John L. Slack states that there will be a special doorman on guard to see that each entrant to the house has on the official convention button.

W. G. Chew of Pittsburg, who is outfitting the hotel declares that

Seeking Bail For Suspects In New Jersey Slaying

Efforts Started To Obtain Bail For Mrs. Lilliendahl And Willis Beach

BOTH HELD IN JAIL UNDER INDICTMENT

(International News Service)

MAYS LANDING, N. J., Oct. 10.—An effort to obtain their freedom on bail will be made here today by Mrs. Margaret Lilliendahl and Willis Beach, held in jail on indictments charging them with the murder of the woman's husband, Dr. William Lilliendahl, 72-year-old narcotic expert, who was slain in his automobile on an isolated road four miles from Hammonton, N. J., on September 15.

It will be the first time the two have been face to face since the investigation into the murder began. Beach, a middle-aged poultry farmer, has admitted writing clandestine letters to Mrs. Lilliendahl under the name of "Peggy Anderson" for some months preceding the murder.

Charles M. Phillis, Hammonton city solicitor, will represent Mrs. Lilliendahl and Edison Hedges will represent Beach at the bail hearing.

S. Cameron Hinkle, trial prosecutor, will vigorously oppose release of the prisoners.

An echo of the famous Hall-Mills murder case came when John J. Gregory, a private detective who worked in Mrs. Hall's interest during the investigation five years ago, announced he had been employed to aid Mrs. Lilliendahl. It was also rumored that Robert T. McCarter, chief counsel in the Hall-Mills case, might defend Mrs. Lilliendahl, but Phillis denied this report.

Refuse Bail Today

MAYS LANDING, N. J., Oct. 10.—Release on bail was refused Mrs. Margaret Lilliendahl, jointly accused with Willis Beach of the murder of her husband, Dr. William Lilliendahl, on her arraignment here today. Beach and Mrs. Lilliendahl, whom the state charges were mutual parties to an "affair" had been held in jail since their indictment last week. Supreme Court Justice Luther Campbell denied pleas of attorneys for both, who had sought their freedom under bond, citing the Hall-Mills case as a precedent.

RIVAL FAMOUS PEAS IN POD

Even their own parents can't tell these Augusta, Kas., twins apart. They are Vida and Vada Fletcher, University of Wichita students. Both girls weigh 110 pounds, both are four feet, eleven and a half inches tall and there is no outward mark by which they can be distinguished from each other.

Supreme Court Orders Sinclair Lease Cancelled

Supreme Court Order Cancels Lease Of Sinclair On Wyoming Oil Reserve

ACTION WAS NOT SURPRISE, HOWEVER

Decision Is Complete Victory For Government In Three-Year Fight

(International News Service)

WASHINGTON, Oct. 10.—The supreme court today ordered canceled the lease of Harry F. Sinclair, millionaire oil man, to the Teapot Dome, Wyoming naval oil reserve.

The action was not a surprise as the court had already canceled the lease of E. L. Doheny, California oil magnate, to the Elk Hills reserve. It said that Doheny's lease was "tainted with corruption."

The decision was a complete victory for the government which for three years has been endeavoring through special counsel appointed by President Coolidge to break the oil leases negotiated by ex-Secretary of Interior Albert B. Fall.

Criminal cases also arose out of the lease. Doheny and Fall were acquitted of conspiracy here by a jury last winter. Fall and Sinclair are to go on trial for conspiracy on next Monday in criminal court here.

SELFRIDGE FIELD, Mich., Oct. 10.—Jack Stinson today is planning a third attempt to take off Tuesday in an effort to break the world's endurance flight record.

Two New Castle Youths Injured

In Hospital At Youngstown After Crash Sunday Night

SHARON CHILD FATALLY HURT

Two local young men are in St. Elizabeth's hospital, Youngtown, O., seriously injured as a result of an automobile accident in which their machine was involved last night at Oak street extension and Hubbard road near youngstown in which a five year old boy of Sharon, was killed and the boys parents also seriously injured.

The cars involved in the accident were those of John Katila aged 19 of 614 Forest street, this city, and Fred Sloan, aged 36 of Sharon. Both machines were completely wrecked.

Charles Sloan, aged 5 of Sharon, was so terribly injured in the accident that he died enroute to St. Elizabeth's hospital, Youngstown, O.

Shoots Immense Chicken Hawk

E. E. Smith of Volant, shot one of the largest chicken hawks that has ever been seen when yesterday morning he brought down a large bird that measures three feet and nine inches from tip to tip of the wings.

The hawk was brought down on the farm owned by A. J. Beight of North Beaver township.

Automobiles For Sunday School Convention

Up until noon today, Monday, less than 25 people had offered their automobiles for service during the convention this week.

Delegates will be coming in Tuesday evening and Wednesday morning, and it will be necessary to have marked cars at all depots, especially all day Wednesday.

All cars should report in front of the Cathedral and park there. That is, cars that are offered for service only.

There will be officers there to regulate traffic and give information to visitors. Visitors will not be allowed to park cars in front of the Cathedral in the space devoted to service cars with markers on them.

There will be an information booth in the Cathedral and stickers for cars will be given out there.

Visitors will get their police courtesy cards when they register.

A. C. McCoy is head of the automobile committee.

Miss Cora Ritchie has charge of the information bureau.

A troop of Boy Scouts will be on duty during the convention.

Get your automobiles on the job.

Every citizen of New Castle should be interested in making this convention go over big. Let's be on our way and do our duty.

Yours for Service and Sacrifice,
FRED L. RENTZ,
Chairman Reception Committee.

Boy Is Drowned In Slippery Rock Sunday Afternoon

Lad Slips Off Rocks Into Deep Hole Near McConnell's Mills

BROTHER RESCUED FROM SAME FATE

Lad Was Member Of Pittsburgh Party Stopping Along Stream On Sunday

Slippery Rock creek at McConnell's Mills on Sunday afternoon claimed another victim in the person of little Robert Kuhman, aged 6, son of Mr. and Mrs. L. F. Kuhman of 1500 Davis avenue, North Side, Pittsburgh, who was drowned in the swift and treacherous waters of the stream, a short distance below the covered bridge at McConnell's Mills.

Police Officers Pete Hillers and D. T. Nelson of this city responded to a call for assistance about 5 o'clock with one of the city pulmotors and used it for half an hour on the boy who had been rescued, but without favorable result, because of the fact that the boy had been in the water too long.

Boy is Dead.

When the boy was finally pronounced dead by Dr. W. B. Gordon of 3728 Brighton road, Pittsburgh, who happened to be among the large group of people spending the day at the place, an undertaker was called, also the coroner. The body was removed to a branch of the Glenn undertaking establishment at Zellenople and was

State Officers Arrive In City For Convention

Some Of Speakers Also Reach City; More To Arrive Early Tuesday

LARGEST CONVENTION OF KIND IN NATION

More Delegates To Be Here Than For Any Other State S. S. Convention

Officials, speakers and delegates to the 65th annual convention of the Pennsylvania State Sabbath School Association, which will be held at the Scottish Rite Cathedral in New Castle Wednesday, Thursday and Friday of this week, have started to arrive in town, and from now on until Wednesday morning officials and delegates will be pouring into The Castleton, convention headquarters.

This morning at nine o'clock a party consisting of Miss Margaret Slattery, woman evangelist, of Boston, General Secretary of the State Association W. E. Meyers and wife, Field Worker B. A. McGarvey, L. L. Abner, T. E. Taylor and Miss E. S. Rodgers arrived at The Castleton and were the first to put their names on the hotel's register.

To Have Office

The convention officials will have an office in one of the store rooms facing the street on the first floor of the hotel, and, according to Manager John L. Slack, everything will be done for their convenience.

This morning Walter E. Meyers and B. A. McGarvey held conferences with

Final Service In Old Church

Third U. P. Congregation Says Farewell To Old Home Of Worship

TO DEDICATE NEW CHURCH ON SUNDAY

Although the congregation of the Third United Presbyterian church is looking forward with great anticipation to the dedication of their magnificent new church edifice, East Washington and Adams street, on Sunday, Oct. 16, yet there were many regrets, especially among the older members, at the final services in the old church yesterday.

Poignant memories of past joys and sorrows have made the old church building a memorable place in the hearts of many of the leaders of the congregation in the 28 years of its history.

The church was filled to capacity at both the morning and evening services. In the morning the pastor, Rev. S. B. Copeland, delivered an appropriate message on the theme: "A Backward Glance". Rev. Copeland spoke of the responsibilities that would come to the congregation when they would enter their new building, when they would have a better equipment in which they could do greater things in all religious activities.

Dr. H. J. Rose of New Wilmington, a relative of Rev. T. L. Rose, the first pastor of the church, gave the sermon at the evening service. Rev. Rose gave a resume of the work of the church in its history of 28 years. He too spoke of the responsibility of the congregation in its larger plant. He said it was the spirit of the people that made the church, and not the building.

Music by the choir and men's chorus was a special feature of the day.

An immense crowd is expected at the dedicatory services next Sunday. Arrangements have been made to place a microphone on the pulpit and have amplifiers in the banquet hall in the basement, which will seat about 600 people.

Dr. J. Knox Montgomery, president of Muskingum College, will deliver the dedicatory message at both the morning and evening services.

French Aviators Start Flight To South America

Take Off For St. Louis Senegal On First Leg Of Projected Flight

(International News Service)

PARIS, Oct. 10.—Dieudonne Costes and Lieutenant Le Brix, the two French aviators who had intended to fly to New York, took off from Le Bourget Field at 9:40 a. m., today for St. Louis, Senegal, on the first leg of their flight to Buenos Aires, Argentina.

The take-off of their plane, the "Nungesser-Coli," was perfect.

Then he shot down the field and headed south toward Africa.

The hop to St. Louis is 4,300 kilometers. After remaining there overnight, the aviators expect to take-off across the South Atlantic to Pernambuco, Brazil, a distance of 3,200 kilometers. A third hop of 2,000 kilometers will bring them to Rio De Janeiro, and then they will fly the remaining 1,870 kilometers to Buenos Aires.

When the delegates arrive here for the Sunday School affair, when they come from Philadelphia and from Luzerne and from Blair, wear a smile each time you meet them, make them know you're glad they came, for this friendship pays big interest in this city boosting game. If they ask you any questions give them everything they ask, get your shoulder in the harness in this big convention task. For the way you meet and greet them is the way they'll judge the town, and the folks who brought them in here want to do the thing up brown. Be a greeter to the visitors till the time they get away, you'll be glad you made them welcome, weather's fifty-two today.

DONALDSON HEADS BOARD

Named As President Of Westminster College Board Of Trustees

(Special To The News)

NEW WILMINGTON, Pa., Oct. 10.—At the annual meeting of the board of trustees of Westminster College, held recently at the William Penn hotel in Pittsburgh, several new members were welcomed into the functioning of the board which forms the chief executive and legislative branches of the United Presbyterian institution.

Among the new members who were recently initiated into the duties of the board are: Hon. George T. Weingartner, state senator, from New Castle, elected for a term of four years. Attorney Roy Neville, Westminster, '02, also elected for a term of four years; Attorney Robert K. Aiken, New Castle man and member of the class of '90, and Hon. T. C. Cochran, '01, member of Congress from Mercer, Pa., who was elected by the Alumni Association to succeed the late James P. Whitla.

One of the items of major interest at the annual meeting of the board was the election of officers. Dr. H. H. Donaldson, '02, alumnus from Pittsburgh, was chosen as the new president of the board. Rev. J. C. Kistler, '86, of Ben Avon, was elected vice president, and Attorney John E. McCalmont, 1900, another Pittsburgh alumnus, was selected as secretary.

everything is in readiness for the visiting delegates at The Castleton. All the furniture has ben placed in the guest rooms on the upstairs floors and today the maids under the direction of the housekeeper, are putting last touches on the rooms before the delegates arrive en masse.

Painting in the lounge and dining rooms has been completed and today drapes are being hung. However as the decorations in the lobby and ball room are more elaborate and the workmen cannot be rushed, Mr. Chew states that fixtures for these rooms will not be in place in time for the convention but everything will be in readiness for the formal opening.

Today girls are cleaning and polishing the equipment in the coffee shop and it is expected that this department will be open in a few days. Provisions have been placed in a special ice chest which is to be used only by the coffee shop.

Justice Davis Is Arrested In Fight At Clifton Flat

County Detective Fleming was called to Clifton Flats Saturday by a report that a small riot was in progress. On visiting the scene he found that Justice of the Peace Court Davis of Shenango township had been mixed up in a fight with some persons whose names he was unable to secure.

According to the stories told, the fight started in the school yard and wound up in the yard of Harry Horney at the corner of Andrews and Hartman streets.

Horney went out to see what was the matter and was assaulted. His wife came running to his assistance and was badly used up, receiving several bad bruises. Davis was placed in the county jail on a charge of aggravated assault and battery. Horney was also brought up as it was impossible during the excitement for the detective to learn just what part he had in the trouble.

Neighbors claim that he was trying to separate the belligerents when he was attacked.

Efforts were made to secure the release of the two men today pending a hearing, but Alderman Green, who had committed them, was out of the city and will not be back until tomorrow. Further efforts were being made to have the men released on bail this afternoon. It is likely that a hearing will be held tomorrow afternoon upon the return of Alderman green.

BOY IS DROWNED IN SLIPPERY ROCK SUNDAY AFTERNOON

(Continued From Page One)

shipped later to the Pittsburgh residence of the Kuhman family.

The Kuhman family were among the members of the group of 14 people from the Bellevue district spending Sunday at the beautiful McConnell's Mills district.

The victim of the drowning and his older brother, Louis, Jr., aged 9, were walking along the stones at the edge of the creek below the covered bridge at McConnell's Mills and possibly 40 feet from what is known as the sand hole shortly before 5 o'clock in the afternoon. As near as can be determined Robert Kuhman slipped on one of the steep and slippery stones at this point and fell into the water. Apparently Louis, Jr., went in after his younger brother in a rescue effort. Soon both boys were in difficulties and their father, L. F. Kuhman, and others went to their rescue.

One Son Rescued.

According to the story told Officers Nelson and Hillers, J. P. Martin, a member of the party, jumped in after the boys and got hold of Louis, Jr. Both were about to sink when Kuhman, father of the boys, pushed a pole to Martin, who grabbed it and was pulled to shore, still holding to Louis, Jr. The young boy Robert sank to the bottom.

There happened to be grappling hooks in the vicinity and probably half an hour after the distressing accident, Thomas Westerman of Tarentum, Pa., secured the body of the little boy from the sand hole, about 40 feet from the point where he sank.

When the body was secured, J. M. Kennedy and R. C. Clelland of the McConnell's Mills district placed the boy in a blanket and carried him to the mill.

Officers Nelson and Hillers arrived about this time with the pulmotor and started to use it in the effort to resuscitate the boy. Everything possible was done by the officers but the effort was given up as unsuccessful after fully half an hour's trial.

Their work was done under the supervision of Dr. W. B. Gordon, who finally pronounced the boy dead. He stated that the boy had been in the water half an hour and that too much time had elapsed to make the pulmotor effort successful.

committee chairmen and looking over the field. Everything will be in readiness to entertain the largest number of delegates that ever assembled for a Sabbath school convention in Pennsylvania, or any other state in the United States, they declared.

The great preachers to address the assembled delegates will be the Rev. F. B. Meyer of London, England, reputed to be the greatest minister of the present century. Rev. Meyer is more than 80 years old, and this is his last tour of the United States before retirement. The Rev. Floyd Tomkins of Philadelphia, who is noted throughout the country, will lead the devotional services and preach at some of the services. The Rev. Tomkins has served the convention in this capacity for 15 years.

The great teachers who will serve the convention will be Charles C. Ellis, Ph. D., of Huntingdon, Pa., a teacher at Juniata College; Frank M. McKibben of Baltimore, M. Hadwin Fisher of Gettysburg College, the Rev. Charles Darsie of St. Louis, Mo., the Rev. F. W. Tomlinson of Philadelphia, the Rev. E. H. Brewster, Philadelphia; the Rev. Conrad A. Hauser of Philadelphia, Roy A. Burkhart of Chicago, Elizabeth Harris of New York City, Mrs. Deborah Clark Warriner of Philadelphia, Mrs. Margaret L. String of Zellenople, Miss Jessie E. Moore, New York City; Mrs. E. K. Ross, Philadelphia; the Rev. E. J. Scott, Connellsville; Prof. R. G. Mowery, Quincy, Pa., and Prof. Fred W. Diehl, Danville, Pa.

By far the greatest evangelist of the convention will be Miss Margaret Slattery of Boston, who will make her first address before the assembly Thursday morning. Miss Slattery has been trained for a teacher, but now devotes all of her time to writing and speaking. The Pennsylvania State Sabbath School Association had to engage her three years in advance so as to be sure that she could address the convention at New Castle.

Other speakers of national repute who will deliver speeches are U. S. Attorney Charles H. Tuttle of New York City, Dr. Samuel D. Price of New York City, Judge Claude T. Reno of Allentown and Hon. Simeon D. Fess of Yellow Springs, O.

Former Governor Of Pennsylvania Speaks At Rotary Meeting

Dr. Martin G. Brumbaugh In City, Addresses New Castle Club

Speaker Gives Some History Of State To Local Club Members

Rotarians fortunate enough to be at the weekly luncheon today at noon in the Fountain Inn had the pleasure of hearing a former governor of Pennsylvania, Hon. Martin G. Brumbaugh, now president of Juniata College in Huntingdon, Pa.

Dr. James M. Blackwood, well-known eye specialist, was to have delivered the address of the day, but when it became known that Ex-Governor could be secured, Dr. Blackwood gracefully yielded to him and instead of one good address, the Rotarians will get two, the one Ex-Governor Brumbaugh delivered today, and the one Dr. Blackwood will deliver later.

Insights Into History

Mr. Brumbaugh gave the Rotarians some Pennsylvania history which was most interesting and gave it to them in such style that it held every man in his seat fascinated until the close of the meeting. In the address he showed the influence of the early German settlers on the history of Pennsylvania and the United States.

Back in 1708 Queen Anne of England offered a home in Pennsylvania to as many Germans as would go, providing they would make their own way to London. Ten thousand Germans went to London, but were forced to stay there all winter because of a lack of ships to transport them to the new country. Many of them perished because of the hardships. They lived in what was known as Blackmoor.

In the next spring a ship was provided for the emigrants, but it got no farther than the coast of Ireland, because of leaky seams. The captain of the ship unloaded them on Irish soil and they settled there, teaching the Irish people to grow flax and weave linen.

The second ship was started, but storms on the Atlantic drove it far south around the Gulf of Mexico and into the Mississippi river. Taking his ship up the river the captain unloaded the emigrants near what is now known as Plaquemine, Louisiana. Yellow fever claimed about half of them, and finally the balance of the group decided to walk to Pennsylvania. Across uncharted miles, through swamps and through territory occupied by hostile Indians they went, finally arriving in the colony of William Penn. Out of this group of settlers came the forebears of Admiral Winfield Scott Schley, hero of Santiago; Barbara Frietschie, and the immortal Francis Scott Key. This group did not get right into Pennsylvania, but settled what is now Frederick, Md.

Third Boat to New York

The settlers on the third boat sent out by Queen Anne landed in upper New York state, in the Schorara valley, but very soon the British secured the territory from the French by treaty and, unwilling to subject themselves to the British government, the settlers made rafts and floated down the Susquehanna river to a point below Harrisburg.

The main contribution to future history from this group was John Conrad Weiser, whose work as a mediary between the whites and the Indians resulted in the abandonment of several wars, the alliance of the five nations with the British, saving Canada, and later the occupancy of Fort Duquesne near Pittsburgh.

Closing his interesting address, Ex-Governor Brumbaugh cited the fact that the United States had risen through a federation of forces and pleaded for the United States to join a federation of world powers to avoid war.

His address will be remembered as one of the high spots in the Rotary programs for this year.

Clarence Williams, negro, 1009 Moravia street, reported to the police Sunday that another colored man residing at the same place and whose name is believed to be James Mitchell, left the place taking with him clothing, shirts and underwear belonging to Williams.

Thus its 6 acres of parking space, the place of holding the Institute is considered better than within the city. Those who go by street car have only a 3 or 5 minute walk to the building from the end of the line at Cascade Park and the building is located only a few rods of the Ellwood-New Castle improved road.

Arrangements have been made with the East New Castle Sewing Circle to serve dinner and lunch every noon and evening on the second floor of the building where home cooked meals prepared and served in an appetizing way may be had by those attending the Institute.

On Tuesday, Wednesday and Thursday evening at 8:30 a free entertainment will be given to the teachers and the general public in the fine auditorium of the new school. Tuesday evening Dr. Corson will give a lecture entitled, "Lincoln's Reverence." Wednesday evening, a special entertainment will be given by the Victor Talking Machine company and on Thursday evening former governor Martin G. Braumbaugh will speak on "Why the School."

John C. Syling, superintendent of the Lawrence county schools and president of the Institute says that in the county outside of New Castle there are now 292 teachers from 61 one-room schools, 12 high schools and 14 consolidated schools. These teachers represent schools with an enrolment of nearly 12,000 pupils.

Mr. Syling says one of the remarkable features of the work is the great number of consolidated school that have been built in the county. Fourteen such schools are now in use and instead of over 80 one-room schools used two years ago there are now only 61 such schools.

Mr. Syling expects to have a new directory of the Lawrence county schools out about the middle of November. That time has been chosen so that the names of the school directors elected in November may be included.

COPS MOTOMETER STOLEN.

Charles Augostine, well known motorcycle officer of the city police force, had to go to Youngstown last night to experience one of the things that he is often called upon to investigate here, namely the theft of a motormeter from his machine. He reported his loss to the Youngstown police but has as yet received no word concerning it.

Rheumatism Recipe

Ex-Sergeant Paul Case, Room 117 Quigg Building, Brockton, Mass., states that while serving with the American Army in France he was given a prescription for Rheumatism and Neuritis that has produced most gratifying results in thousands of cases. He says the prescription cost him nothing, so he asks nothing for it, but will send it free to any one who writes him.

CHARGES REMUS RESPONSIBLE FOR HIS WIFE'S ACTIONS

(Continued From Page One)

that my sister bought every piece of furniture, paintings, books and what not in that house. That home was not cleaned out because she wanted the things. Remus feared vandals would clean it out while he was locked up in Atlanta. Every piece of furniture that was in the house is in storage in Cincinnati.

Gave Her Deed.

"In addition, on their wedding day, Remus gave my sister the deed to the 'dream palace'. There are plenty of witnesses to that. Why should he now try to claim that home as his? He gave it to her.

"Remus made Imogene mortgage the home after threats of death to Blanch Watson of Covington for $35,000. This money was used in part to buy the Jack Daniels distillery at St. Louis. This same distillery Remus and his cohorts milked of 3,000 barrels of booze. Remus was later indicted for this and the best evidence that he is wrong is that he turned evidence on 32 of his pals to save himself. To show his gratitude to his wife he also included her among the gang. The courts, however, freed her and threw her case out of court."

Here Brown went on to talk of Mrs Remus' visit to the federal penitentiary in Atlanta, Ga., while Remus was serving his sentence there, and of the attentions he claims she showered upon her husband.

"She bought bed, mattresses and blankets and even became the official cook for the prisoner," said Brown, "just because she wanted to make George comfortable.

"It was at this jail Mrs Remus met Franklin Dodge. She received a call at her hotel one afternoon to rush to the jail to meet an important friend. She did this and the man was Dodge. It was then she received her instructions to play up to Dodge. These instructions were, however, repeated many times in letters and by word before the "break up".

Remus makes much about Dodge and Mrs. Remus being together at New York City. If he wanted to tell the truth he would let the world know that I was registered in the same room with Dodge four floors below that of my sister. He knows that Dodge was there for the purpose of helping a poor devil at Atlanta.

Harry Brown also said that he expected to return to the family by Monday night. He refused to say where his sister was being buried other than she was being placed in a private mausoleum out of the state.

He said the funeral would probably be held by Sunday.

Deaths Of The Day

Charles Thorson

Charles Thorson, aged 70 years of Bessemer, died Sunday morning at 2 o'clock in the Shenango Valley hospital following an illness of complications.

Mr. Thorson had been a resident of Bessemer for 40 years. He is survived by four sisters, Mrs. Josephene Anderson of Bessemer, with whom he made his home, Miss Alma Thorson of Cleveland, Mrs. Alelma Swanson and Mrs. Caroline Johnston both of Sweden.

He was a member of the Lutheran church of Bessemer. Funeral services will take place Tuesday, October 11 from his late home at 2:30 p. m., in charge of Rev. W. R. Sommerfield, pastor of the Zion Lutheran church of this city. Interment in Petersburg cemetery.

Jesse W. Hay.

Jesse W. Hay, aged 49 years, died Sunday evening at 8 o'clock at his home, Slippery Rock, Pa., R. D. after a prolonged illness of over three years.

Mr. Hay was born in Worth township, Butler county, on March 4, 1878, a son of Albert Hay, deceased, and Margaret J. Hines Hay, who survives. He was a former resident of New Castle and at one time conducted a restaurant here. He was a member of the First Presbyterian church of this city. Since going to Slippery Rock he had been engaged in farming.

Besides his mother he leaves three children, Mildred, Olive and Louis, and one sister, Mrs. George Ramsey of this city.

Funeral services will take place Tuesday, October 11, at 3 p. m. from the home of his sister, Mrs. Ramsey, 222 North Mulberry street, in charge of Rev. W. E. McClure of the First Presbyterian church. Interment will be made in Graceland cemetery.

Coal And Iron Police Attack Five Youngsters

(International News Service)

PITTSBURGH, Oct. 10. — District Attorney Samuel H. Gardner was scheduled to be called on today by Justice of the Peace George H. Beltzhoover, of Castle Shannon borough, in connection with an alleged attack of coal and iron police on five youths, four of whom were striking miners.

The five said they had been arrested by coal and iron police near the No. 2 Mine of the Pittsburgh Terminal Coal Corporation at Castle Shannon, and were taken to the barracks on the company property where they charged, fourteen coal and iron policemen beat them with clubs. The five were then brought to this city where four were held on a disorderly conduct charge. The fifth was taken to a hospital.

The five youths are John Benik, Peter Karkhalla, Christ Gilla Lawrence Reiter and Samuel Muleonoski.

Crooks should be kept out of baseball. They are needed to keep horse-racing true to tradition.

Little Chats About Your Health.

No. 49

Home Temperature Affects Health

In an address on the effects of over-heating in the home, a physician who has made a close study of the subject declares that "indoor temperatures above 68 degrees are definitely harmful" even where the excess is only a matter of a few degrees.

Over-heating is frequently a contributing cause of colds and respiratory troubles.

Remember that when you again start your furnace and you may save in doctor's bills as well as in fuel costs.

It is wise to use all precautionary measures to make the doctor's services unnecessary—but to call him promptly whenever illness threatens.

at METZLER'S

If you feel like 60 at the age of 45—think this over! It may help you get back your pep of earlier years. Many men often have slight stomach disorders, nervous attacks and weak spells. They think little about them. But suppose your physician told you some of these slight attacks were symptoms of System Poisoning—professionally called "TOXEMIA"—guess you'd sit up and take notice! It's an insidious malady that steals your vital energy, slowly but surely. You sometimes take ordinary laxative pills and waters, but they don't dislodge the poisonous toxins that cling to intestinal lining—the deadly bacteria that cause senility and make you look and feel old in years before you should. Why don't you take Partola, the internal antiseptic and laxative that positively cleans out the poison wastes? Do so for a while, then see your natural strength return, health improve, ambition and power of endurance increase. Bowel disorders and stomach troubles disappear when you take Partola. It is sold by all druggists at 30¢ a box, or double size box 50¢.

COOLIDGE'S VISIT TO CUBA

NOT so many years ago the suggestion that a president should visit a foreign country during his term of office would have been received with more or less surprise. Indeed, there seemed to be an impression that there was a constitutional or legal barrier of some kind. Of course there wasn't. Roosevelt liked the decks of battleships and went to Panama. Taft crossed the international bridge into Mexico. But it remained for Wilson to knock the whole theory into a cocked hat when he served notice to congress that he was going to Paris and proceeded there, not once, but twice. He actually carried on the business of the United States there. So it is not singular that Coolidge's decision to visit Cuba meets with no adverse criticism.

The occasion which calls the president to Havana is the sixth international conference of American States. That means Pan-America. It will meet in January. Not only will Coolidge return the visit of the president of Cuba, but he will take part in the proceedings of the conference, which is his real reason for undertaking the trip. In a sense it is a diplomatic mission. He will breathe the spirit of good will. He can do more than anyone else to allay the suspicion which certain South American countries are said to harbor against us. There is nothing we want of our neighbors on this hemisphere but peace and friendly relations. We are seeking no advantage, physically or otherwise.

We are glad that he is going. He is a thorough diplomat. He has a way with him which breeds confidence. He is certain to impress the delegates with his earnestness and his sincerity. His visit should have excellent results.

BILL OF SWEDEN

PRINCE BILL OF SWEDEN is with us again, frankly "tickled to death to be back." And from the visible evidence, Americans are tickled to have him.

Bill, you see—and one violates no courtesy in speaking of the young man so familiarly, because he likes it—is different from the general run of royalty. He doesn't put on any airs or stand for any toadying. He doesn't seem to feel any urge to set an example to the world in manners, morals or anything else. He's a good mixer. A reporter or realtor or cop or a drummer or prize fighter or college professor can get along with him without a bit of trouble.

Bill's real business isn't royalizing or princifying. He's a hunter and explorer. He goes to wild, distant and dangerous places and has a good time roughing it, and then he comes back to civilization and quietly lectures about it to raise the money to go adventuring again. And wherever he goes, he seems to get along with people regardless of race or climate. He wants now to have a good look at our west, and we hope he gets it.

Sure, Bill's a "prince" in the American sense. And the best thing about it is he doesn't seem to know it. If the king business ever blows up, and he wants a job over here, he'll find plenty of invitations to come and grow up with the country.

Most relatives are distant relatives when you are broke.

COMPENSATION

"The world's so hard," he said to me,
"So filled with hurt and pain,
I would not, if the chance could be
Return to earth again.

"There's nothing worth its price in hurt
Or sorrow or despair,
The worm is happier in the dirt
Than men who walk with care."

And thinking of the pain I'd known
And all the grief I'd borne,
I'd almost moved to make my own
This creed of rage and scorn.

But then I heard my baby shout
As happy as could be,
Her lovely laughter ringing out
Was music sweet to me.

"To life," said I, "I'm reconciled.
I'd gladly live again,
To hear the laughter of a child
Is worth its price in pain."

In Day's News

When the Conservatives of Canada meet in national convention at Winnipeg today to choose a leader and possibly to frame a platform one of the central figures in the convention will be Arthur Meighen, the former Premier, who may again be chosen to lead his party. While he is a native of Ontario and received his education at the University of Toronto, Mr. Meighen has spent virtually his whole life in the West. When, in 1920, he succeeded Mr. Borden in the premiership he had the distinction of being the first Western man chosen to that high office. Previously he had a long career in Parliament as a representative of one of the Manitoba constituencies and had served as Solicitor-General of Canada and as Minister of the Interior. He sponsored the compulsory military service act and carried it through the House of Commons in 1917.

Truth wears no mask, bows at no human shrine, seekes neither place nor applause. She only seeks a hearing.

A Stethoscope for detecting the condition of machinery is a new invention. What a wonderful thing this will be when the family flivver gets to groaning and wheezing. It can be examined without taking it apart.

Thirteen members of a state legislature were taken before a firing squad and shot because they got gay with the government. While we do not favor the taking of life only when it will be for the good of society, we think in this case the precaution taken was justified. We know of some former members of the legislature from this county who would not be living if such a rule had been in force in Pennsylvania.

Over in Butler the only newspaper office is right near the court house. The printing factory was broadcasting the ball games last week and the noise annoyed the judge and he ordered the broadcasting stopped. One poor newspaper soul paid no attention to the ukase of the court and was promptly dragged before the bar—of the court of course, and fined one hundred dollars. We are not going to make any further comment as that judge might take in more territory and come over here.

We think we have pulled this one before, but our memory has been refreshed during the past few days as we have traveled some. We have our own private opinion of the bird who steps off a train and hands the porter half a dollar and then hands a poor cold and ragged newsboy a nickel and waits until the poor kid rushes around and gets the change for him. Of course in many places the newspaper costs a nickel and he does not have to wait.

McAdoo took a great many more words than Coolidge took to say that he did not choose to run. McAdoo wanted to convey the hint that Al Smith had better choose not to run either. McAdoo's statement made the burdens of the Democratic party greater. SAN FRANCISCO, Cal., Oct. 10.—Human beings depend on education, light of the mind, as plants depend on sunlight. Public schools are the blessing of today, the hope of the future, and California is the great public school state.

In Barstow, on the Mojave desert, you see only one big impressive building! It is the NEW public high school.

At Hodge, next town going west, the bright, new, and only brick building, is the NEW primary school. In Claremont, and Pasadena, toward the Pacific, you pass beautiful buildings set in great parks. Those are more public schools.

Some public schools have farms attached to teach the care of orange trees, prune trees and other crops. Wherever you go fine buildings, surrounded by trees, open spaces and playgrounds, are PUBLIC SCHOOLS.

Here in San Francisco and across the bay in great, swiftly growing Oakland, the building and improving of schools, is the citizens earnest thought. And not any of them, cities or citizens, are satisfied with what they have achieved.

Mr. Don Lee, carries you out to the Golden Gate where the Pacific brings in ships through the high stone door from all the world. His new style Cadillac with a hood to make it look as long as a battleship eats up the miles of good roads, and every few minutes you hear, "that's new public school so and so."

One unusually fine building is the new "Galileo high school." Attached to it is an athletic field, that many a college in the east would be proud of. There the high school's boys and girls, in brilliant sunshine, develop healthy bodies in which strong, healthy minds will do good work.

San Francisco is resolved that henceforth each new high school site shall include room enough for an athletic field. Here they think not about COST but about EDUCATION.

San Francisco, owning 41 parks already, is constantly buying land for more parks, hill-tops near the city, level lands, farther out.

It is considered part of a city's duty, in this strange country, to think of the population's comfort, health and happiness.

Municipal golf links, over-looking the ocean, provide exercise for thousands of players. The charge is $2.50 a month, to play every day, or fifty cents on week days, one dollar on Sunday. And the two big publicly owned golf courses yield $20,000 a year profit, above all costs, upkeep, roads, water, etc. How would eastern politicians explain that?

Eastern mayors, close to the Atlantic's big supply of salt water, should see the municipal bathing pool, biggest and finest in the world. The city built the pool, adjoining the Fleishhacker playing field which includes a "mothers house," built by the Fleishhacker brothers in memory of their mother, with a wading pool for little children, in front of it, and every conceivable apparatus to make children happy, including a miniature railroad, elephants, donkeys and camels to ride.

A similar playground was given to New York's Central Park by August Heckscher.

New York should send engineers here to reproduce near Heckscher's playground, San Francisco's great salt swimming pool, adjoining the Fleishhacker playground.

It is 16 feet at one end, for high diving, a thousand feet long, wide in proportion, and five thousand swim in it at one time, while salt water from the Pacific flows in and out; artificially heated to seventy degrees all through the year.

Adults pay 25 cents, children 15 cents, and this municipal swimming pool pays a profit, spent doing other things for the people.

They take seriously here the theory that government is FOR the people, not the people FOR politicians.

In conclusion, order your prunes early, and order plenty. California has 196,384 acres of prune fields, costing $150,000,000, yielding 400,000,000 pounds of prunes and $20,000,000 annually. But more than half the crop will go to Europe, leaving only one pound and a half for each man, woman and child in America—not enough by half.

Take your automobile, or Pullman compartment, and come to California THIS winter, seeing America on the way.

You will regret not coming. Ask the heirs of Christian Russ. In 1847 San Francisco needed money and sold land. Russ bought a little piece, 275 feet long, 177 feet wide, paying thirty-seven dollars and fifty cents to the city.

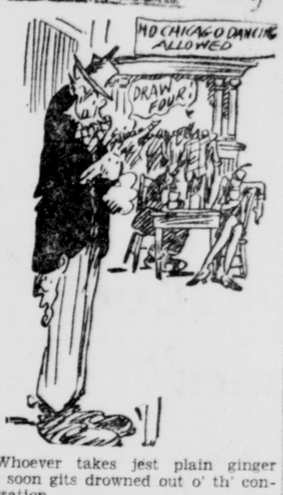

The 30 story Russ building stands on it now, with a garage for 400 automobiles on the lower floors, United States Steel, General Electric and other companies on floors above. Russ's heirs for 99 years to come will get 6 per cent interest on $2,000,000 from that $37.50 purchase.

Don't think you were born too late. What Christian Russ did here in 1847, you can do nearby, and in many parts of the United States NOW.

Get good land in America, take care of it, and it will take care of you. But be sure to get GOOD land.

There is no absolute zero in pleasures unless you count walking around golf.

THE ARISTOCRACY

Ganna Walska is reported by the press to have bought some carved emeralds worth $500,000, which she wore with great eclat.

The common impression seems to be that possessing an article of great value and showy nature is an indication that the possessor has plenty of means.

One of the striking things, however, about the upper class British women is their modesty of dress. They display neither jewels nor perfumes and the gowns are remarkably simple.

If you want to know whether a thing has a mark of superiority or not look at the superior people and then at the common people.

Every low class girl in the world wants jewelry, and most all of them souse themselves with perfumes. It is a sign of superiority and intelligence to go without these things rather than to display them.

If you want to be among the real aristocracy, cultivate a low voice, modest apparel and seemly conduct. These, with brilliancy of mind, stamp you as out of the ordinary. But if you just have an ordinary mind and low tastes and indulge in display, you are a most ordinary person, no matter how much money you have.

Don't show off. It is a feeling all too common, and if you want to be an uncommon person do not indulge in it.

The real aristocracy are modest and unassuming. If Lindbergh had been of a cheap and common mold, he would have capitalized his popularity by getting into money schemes and probably appearing in vaudeville. He didn't. He confined himself to the business of flying, which is the business he knows.

Compare his actions with that of some other people who capitalize their temporary popularity and you will see the difference between the real aristocracy and the fake.

If you want your fame to be established, do something worth while and let other people talk about it.

Do not take advantage of some meritorious publicity to exploit yourself. Blowing your own horn is not very good business when you can get somebody else to blow it for you.

The World AND THE Mud Puddles

HARD TO RECONCILE.

California Law, like the laws of nearly all the states, exempt the property of religious corporations from taxation. A certain Section of the Political Code of the State, known as Section 3611, takes care of this situation, and reads as follows:

"All buildings, and so much of the real property on which they are situated as may be required for the convenient use and occupation of said buildings, when the same are used solely and exclusively for religious worship, shall be free from taxation; provided, that no building so used which may be rented for religious purposes and rent received by owner therefor shall be exempt from taxation. That any person claiming property to be exempt from taxation under this section shall make a return thereof to the assessor annually, the same as property is listed for taxation, and shall accompany the same by an affidavit showing that the building is used solely and exclusively for religious worship, and that the described portion of the real property claimed as exempt is required for the convenient use and occupation of such building, and that the same is not rented for religious purposes and rent received by the owner therefor."

Two Methodist Episcopal churches, one of the West Glendale Methodist Episcopal Church, the other the First Methodist Episcopal Church of Santa Monica neglected in 1923 and 1924 to comply with the second part of this Code Section. Neither formally claimed the exemption provided for in the Section. Each of the churches asked for relief from the courts, and in each case relief was denied, whereupon each of the churches appealed from the decisions rendered. The appeals in each case were heard by the same Judges in the same Division of the Court of Appeals of the State of California, and the two decisions of the Court, were announced respectively July 16th and August 3rd, 1927. The West Glendale Church lost, while the Santa Monica Church won. The Court said to the West Glendale Church appeal on July 16th:

"In response to the appellant's contention that Section 3611 does not impose any conditions to the enjoyment of the constitutional exemption and basing its claim on the fact that the section does not in terms declare what shall be the effect of the failure to comply with its requirements trial court said: 'This construction of the section amounts to a nullification of its provisions and reduces it to the level of good advice offered by the legislature which the persons affected by it are at liberty to accept or not if they see fit—the section declares in unequivocal language that any person claiming property to be exempt from taxation—shall make a return. This is mandatory language and its proper effect is that anyone who does not make a return removes himself from the class of those claiming exemption, or in other words, waives the exemption. The judgment is affirmed."

The same Court said to the Santa Monica Church on August 3rd: "We are satisfied that the provision of Section 3611 of the Political Code requiring any person claiming property to be exempt from taxation under that section to make a return thereof to the assessor was intended to assist the assessor in determining what property should be omitted from assessment, but that it was not the purpose of the legislature in enacting it to make a failure to comply therewith a waiver of the exemption, provided in Section 1½ of Article XIII of the Constitution. Consequently, one entitled to such an exemption may still avail himself of it in a proper proceeding and for that purpose the complaint filed in the instant cases states a cause of action. The judgment is reversed."

Even the lawyers of California are puzzled.

POWER FROM DEEP HOLES.

The British Association for the Advancement of Science seems to be taking quite seriously the proposal of John L. Hodgson, that deep holes be dug or bored into the earth's crust in search of heat for cheap power. I have been looking for the sneering comments that usually greet scientific proposals that are smewhat in advance of the hour, but have seen none in print.

Of course the proposal is not strictly new. Imaginative men, both among scientists and among the literary folk have long toyed with the problem of the world's future supply of cheap power. Harnessing the tides of the Bay of Fundy is one of the most ambitious of the projects that has been seriously studies by scientists. This idea of digging a dep hole and using the earth's heat to create cheep power is possibly more ambitious and more speculative than the Fundy tide project. But it appeals strongly to the creative imagination.

* * *

Mr. Hodgson who is an engineer in high standing in his profession suggests sinking shafts to a depth of five miles. He estimates that a hole five miles deep might cost about thirty million dollars. Of course that isn't much money to invest in a power plant if a source of cheap power is tapped.

In Italy there are two or three places where factories are actually run by steam generated by heat from volcanic fires. Comparatively shallow shafts have tapped the perpetual heat and those factories have solved the fuel problem.

Mr. Hodgson presumes that at a depth of five miles there will be sufficient heat to run a power plant of unprecedented dimensions. Once the hole is dug the fuel problem of a community of people might be solved for a period of many centuries.

* * *

Thirty million dollars is a considerable sum of money. Perhaps there is no individual in the world who could afford to spend that much money digging a deep hole at a venture.

But I have no doubt that a thousand individuals might be found who would be willing to undertake the project collectively if scientific sanction were strongly behind the enterprise.

No very deep hole has ever been made in the earth. I think it would be much more interesting to go five miles straight down than to go to the south pole and come back again.

Legion Delegates Granted Audience With King George

Legionnaires And 60 Women Members Of Party Received In Royal Fashion Today

King George And Queen Mary Shake Hands With Each Member Of Tourist Party

By CHARLES A. SMITH,
International News Service Staff Correspondent

LONDON, Oct. 10.—Royal honors were paid today to the delegation of officers and former officers of the American Legion who are paying a good will visit to Great Britain.

The Legionnaries and 60 women members of the party were received in audience by King George and Queen Mary at Buckingham Palace. They were accompanied by Alanson B. Houghton, the American Ambassador.

Lord Cromer, Lord Chamberlain of the court, introduced the Americans. The king and queen shook hands with each one of them.

The Americans departed through the noted picture gallery and were carried to Manshion House in motor coaches for the lord mayor's luncheon.

Much comment was aroused not only among the visiting Americans but among the British also by the remarks of the Bishop of London during the special service for the Legionnaires in St. Margaret's church yesterday. The bishop said he had been informed that school children in the United States were taught to hate the English. He deplored any such action.

Claim Drive Into Cemetery Closed By August Wendt

Judge Hildebrand has fixed Friday, October 14, at 9 a. m., as a time for hearing an equity suit brought by Congregation Tifereth Israel against August Wendt. The trouble is over a right of way into a cemetery located on a part of the Maitland farm on the Pulaski road. The plot of ground for the cemetery was sold off a part of the Maitland farm and a drive from the Pulaski road has been used for many years.

August H. Wendt is now the owner of what was formerly a portion of the Maitland farm and it is claimed that he has blocked the drive into the cemetery and refuses to allow it to be used. The court was asked to enjoin him from felling trees across, or otherwise obstructing the drive. A preliminary injunction was granted pending the hearing.

Boston Man Fails In Suicide Effort

(International News Service)

NEW YORK, Oct. 10. — Although he drank poison, slashed his wrists and jumped out of a second story window, John Peyton, 38, Boston bond firm representative, failed in his attempt at suicide today. He was despondent over his inability to continue working because of ill health, he said. Peyton has a brother, Col. Ephriam G. Peyton, commanding officer of the Ninth U. S. Cavalry, Fort Sam Houston, Texas, he said.

MYSTERY ATTACK ON LONG AVENUE

Man Is Struck Over Head By Mysterious Unknown Assailant

Ignatz Kuis of 126½ West Long avenue was severely injured last night when struck on the head by a man, while standing in front of the coffee house of Kosti Martins of 124 West Long avenue, who has not as yet been apprehended by the authorities.

He was bleeding profusely from a wound in the back of his head and was unconscious when removed to the hospital by Officers Lockard and Horner, who answered the call to the scene. Officer Thomas was on the scene when the other officers arrived.

The police were unable to find any person, who could or would tell anything of the assault, when they started their invesitgation. They finally learned that the assailant of Kuis, who is alleged to have struck him with a bottle, was a large man with a mustache. Kosti Martins of the coffee house appeared to answer the description and was taken to the hospital by the police officers on the case, where he was identified by Kuis as the man who had struck him.

Martins was held until this morning, when further investigation by the police developed the fact that there was a possibility of a mistake in identity on the part of Kuis and Martins was released on his own recognizance pending the further investigation of the police, which indicates that another man will be arrested in connection with the affair.

Believe Bomber Killed In Blast At New York City

Belief Prevails That Perpetrator Of Bomb Outrage Also Lost Life

(International News Service)

NEW YORK, Oct. 10.—Belief that one of the perpetrators of the bombing of a tenement house here Saturday, when five persons were killed, lost his own life in the blast, was expressed today by investigating detectives.

One of the bodies, mangled beyond recognition, is believed by the authorities to be that of an Italian who, with an accomplice who escaped, is suspected of being the manufacturer of the deadly bomb.

A thorough investigation of the ruins by a squad of picked detectives has led to two theories. One is that the bombing was accidental, the infernal machine exploding while in process of completion, killing its maker and four innocent residents of the house. Another is that the bomb was planted in revenge against Andrew Conviello, a barber and owner of the tenement, and that the device was so cleverly wired that it was detonated when Mrs. Theresa Coviello, wife of the owner, switched on the lights in her parlor.

East New Castle Ladies Serving Meals To Teachers

East New Castle Sewing Circle of the Mission church is serving home cooked meals to the teachers meeting in their annual institute at the Shenango Township Consolidated School at East New Castle, this week.

The members of this organization have made arrangements to serve the teachers noon and evening with warm meals. A kitchen has been improvised in one of the class rooms on the second floor of the building and the hall way and another class room has been provided with tables and seats. The ladies say that they are prepared to serve over 300 people at each of the meals if necessary. The noon meals will likely have the most people so they have arranged to serve dinner at noon and lunch in the evening.

Mrs. Frank Gibson is president of the circle. The other members of the circle are Mrs. Martin Covert, Mrs. Paul Lutz, Mrs. Fritz McMillan, Mrs. Annie Finney, Mrs. George Body, Mrs. Olive Powell, Mrs. Anna Lutz, Mrs. Jane Johnston, Mrs. Bertha Graff and Mrs. Nellie Bauder.

REPORTS TRAIN CREW ROBBED

According to the report made last night to Officer Hagan, who patrols in the Seventh Ward district, a lone holdup man, held up a Pennsylvania train crew in the Lawrence Junction yards and relieved one of the men of the crew of his Bunn Special watch.

The bandit was described as being about 25 years of age, five feet six inches in height, weighing 130 pounds and wearing a light suit and light colored cap.

Negro Released On $25 Forfeit

When John Kimbro, negro of Howard way, walked into the police station this morning in company with the pastor of his church to inquire as to why he was wanted there he was immediately locked up on a charge of suspicion, for his alleged shooting of Curtis Wilkin, negro of 1113 Howard way.

It is alleged that he inflicted a slight flesh wound on Wilkin Saturday evening when he was gunning for Henry Dunlap another negro.

Owing to the fact that Wilkin is not seriously wounded and also the fact that he walked into the police station as requested, Kimbro was released on a forfeit of $25 for his appearance before the mayor on Tuesday morning.

Naval Aviators Escorting "Ace" Escape Injury

Plane Accompanying Colonel Lindbergh Crashes In Mississippi River

(International News Service)

NEW ORLEANS, La., Oct. 10.—Two naval aviators narrowly escaped injury early today when one of two planes escorting Col. Charles A. Lindbergh crashed into a bank of the Mississippi river 23 miles east of here.

Engine trouble forced the naval plane to land and in the aviator's attempt to cross the Mississippi the plane crashed into the west bank and turned over. The two naval officers swam from under the overturned plane.

Merchants To Aid Decorating Efforts For Big Convention

Delegates to any convention get their impressions from the manner in which the city itself greets them. One sure way of making visiting delegates believe they are welcome is to decorate the city, and the general committee of the state Sabbath school conventnon is urging that every merchant in the city cooperate in this respect.

Flags, banners, bunting, cards, all these things are well worth the effort in welcoming the delegation and the bigger the display in the business district the deeper impression upon the minds of the guests.

The state Sabbath school convention is a big opportunity for this city to get favorable, state wide publicity. Every county in the state will be represented and every delegate and visitor here will carry back his impressions of the convention. That impression will be good or bad according to the way in which New Castle people respond.

Every merchant is asked to cooperate in this matter of decorations and it is hoped that all of them will respond. Let's make the delegates welcome in a big way and send them back home with a smile.

Even Bodyguard Can't Spoil John Coolidge's Popularity

Exclusive Central Press Dispatch to New Castle News.

WASHINGTON, Oct. 10.—Young John Coolidge does not choose to have a secret service man with him at Amherst.

He has one, however.

If what Coolidge pere doesn't choose cuts no more ice with the Republican party than Coolidge fils' choice in the matter of a bodyguard cuts with the pater, then Coolidge pere will be renominated all right next summer.

* * *

Being a president's son is an awful burden for a young chap like John Coolidge to stagger under.

A sissy might like it, but young John's no sissy.

If he had been, you can bet he'd have been revealed as one at Amherst. Trust that bunch of young college hoodlums to have yanked any mask off.

* * *

It goes without saying that his ancestry was a thing for young John to begin living down the minute he landed on the campus. Naturally he didn't get the benefit of the presumption in other young fellow's favor—that a guy's all right until he proves the contrary.

"Show me" was the attitude he encountered, whoever and whatever he went up against.

He stood the gaff, according to all accounts from Amherst—and you hear quite a lot about it here considering how full this town is of old Amherst alumni.

"A regular feller!" appears to be the unanimous verdict.

It was just at this point—with the clouds rolling away and the future lying right before him—that the pater wished that secret service man onto young John.

They say it was a blow that wellnigh flattened him.

How would you like it yourself?—if you were a college undergraduate.

* * *

Young John—being a "regular feller"—likes to cut around and enjoy himself as well as the next person. There's no real harm in it, of course—there never is in college kids, but sometimes they're boisterous.

Now, imagine how much fun you'd have had, at John's age, out with a jolly gang—with a serius, conservative, ultra-cautious, middle-aged secret service man—long past that sort of frivolity—tied tight to your coattails—vetoing this, warning against that, advising against the other thing.

Not only must it knock John's own good time deader than a mackerel but it can't be possible for the rest of the bunch to get any kick out of the proceedings with John along—with his everlasting encumberance tagging after him.

* * *

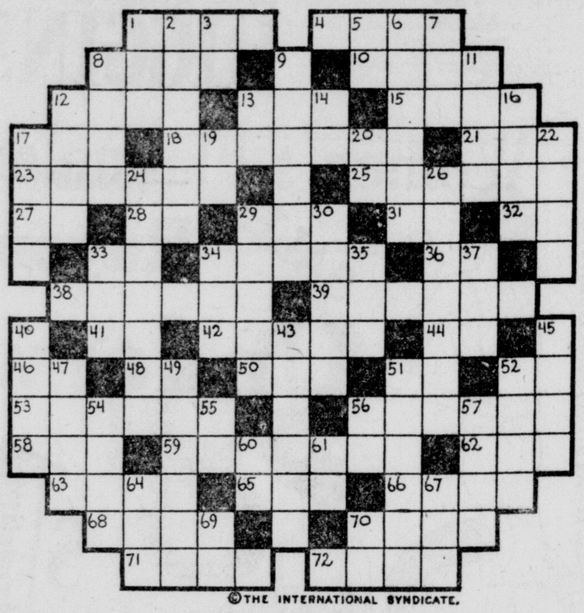

Col. E. W. Starling, who's with John now, was the keeper the latter's father originally assigned to him.

The colonel couldn't be identified as anything but a "dick" by a man five miles high in an eroplane and John kicked on him so hard—not that he didn't like him, but he was so all-fired conspicuous—that the president substituted Russell Wood, who might pass for an Amherst senior himself among the uninitiated—but Wood's on his vacation.

How did the president happen to decide, all at once, on a secret service escort for John?—for John didn't have one when first he went to Amherst.

That's a Coolidge family mystery. It's a very reticent family concerning what's nobody's business but its own—as reticent as any other family.

PETER'S ADVENTURES in ANIMAL LAND

BY MRS. FLORENCE SMITH VINCENT

UNINVITED GUEST EXPLAINS

Now Mrs. Rabbit was weeping in good earnest. Big tears trickled down her pink nose and splashed upon the ground. Her body shook with sobs. Even her little bobtail was aquiver. Peter was frightened. Was Mrs. Rabbit ill? He leaned toward her.

"What is the matter, dear Mrs. Rabbit? Don't sob so. Please don't! You seem to be in great trouble, but perhaps I can help you. Tell me why you feel so badly, do! Have you a pain, perhaps?"

Mrs. Rabbit shook her head.

"No. I am as well this minute as I have ever been in my life," sniffed she. Then suddenly her sobs stopped as abruptly as they had begun. She hopped a pace or two nearer the boy and gazed at him eagerly.

"Have you seen anything of a little Rabbit, Two-Legs?" asked the little lady. "If you had met him but once you would never forget him, he is so cute and clever."

Now it was the boy's turn to shake his head.

"I am sorry, but I haven't," said he. "You are the first creature I have met since I came into the woods. Oh, wait a minute. Maybe his was one of those terrible faces I saw grinning at me from the shadows."

Mrs. Rabbit shook with anger.

"Horrible face!" shrilled she, in her funny bunny voice, that she tried to make very fierce. "Sunny-Bunny has the sweetest little face in the world. And he never grins. Never! And you didn't see any faces in the Woods!"

"I did," insisted Peter.

"You didn't," Mrs. Rabbit again flatly contradicted him.

"But, that is why I was frightened and ran and ran and ran, and maybe I should have been running yet if I

"HAVE YOU SEEN ANYTHING OF A LITTLE RABBIT?" SOBBED MRS RABBIT.

hadn't lost my breath and footing at the same time and stumbled into the Rabbit Hole!"

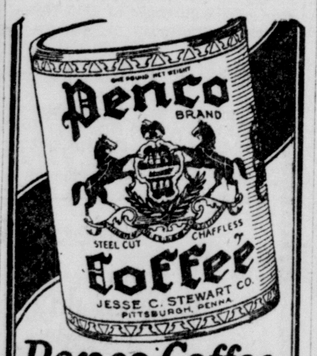

Peter stopped a second, looked thoughtful, and then continued:

"You didn't invite me to visit you. I didn't come to your doorway of my own accord. You were right, Mrs. Rabbit. I am an uninvited guest and you are in trouble. So, unless you will let me help you I had better take myself off. Would you be so kind as to set me on the right path out of the woods?"

Find Seven Barrels Of Wine In Home

The place of Mrs. Rosie Pacilla, 216 Montgomery avenue, was visited Saturday night by Officers Hagen and Llewellyn and when seven barrels of wine and other beverages of like character were found in the place, she and John Saccamento, who was at the place, were arrested and charged with being the keepers of disorderly houses. There was approximately 300 gallons of beverages of the forbidden type in the place. All this was poured out Sunday by the police and in addition, Mrs. Pacilla has been assessed a fine of $100 and Saccamento $25.

Doctor Found What is Best for Thin, Constipated People

As a family doctor at Monticello, Illinois, the whole human body, not any small part of it, was Dr. Caldwell's practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

In the course of his 47 years' practice (he was graduated from Rush Medical College back in 1875), he found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year his prescription was first placed on the market.

W. B. Caldwell M D

AT AGE 83

The preparation immediately had as great a success in the drug stores as it previously had in his private practice. Now, the third generation is using it. Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it. Millions of bottles of Dr. Caldwell's Syrup Pepsin are being used a year.

Its great success is based on merit, on repeated buying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Dr. Caldwell's Syrup Pepsin, and we have gotten many hundreds of letters from grateful people telling us that it helped them when everything else failed.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home,—where many live someone is sure to need it quickly.

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

Still Need Some Funds For Convention Expense

Owing to the convention of the Pennsylvania State Sabbath School association being the biggest that was ever held in Pennsylvania or any other state in the Union, the expenses for entertaining the delegates are larger than were anticipated, says Robert M. Strickler, president of the Lawrence County Sabbath School association.

There remains about $500 to be collected, he affirms, before the usual convention fund can be completed. There will also be some revenues coming from persons who entertain delegates without expense; namely, those persons who do not turn in their entertainment cards for redemption after the convention. This money, it is hoped will go to make up the deficit in the expenses of the convention.

So far, the money raised by the finance committee has come from the people of Lawrence county through the churches and Sabbath schools of the county. No corporations, firms, or business houses have been solicited, declares Mr. Strickler. However, anyone wishing to contribute to the convention fund can mail either cash or a check to J. C. Miner, chairman of the finance committee at the Home Trust company, New Castle.

All Lawrence county delegates, Mr. Strickler points out, who wish to register for the convention in advance can call at the Scottish Rite cathedral and register at the special Lawrence county desk Tuesday afternoon and evening. In this way they will get the special convention envelope containing their badge, handbook, note book, Wanamaker prayer book, etc., and be ready to enter the auditorium Wednesday morning without any preliminaries.

Flickner Boy Is Sent To Morganza

Following a hearing before Judge Hildebrand, at Lawrence county court Saturday, Ben Flickner of Mahoning township was sent to the Morganza Reform school. Several other members of the Flickner family were brought in for violating their paroles.

They were discharged after the testimony had been heard. An attempt was made to show that farmers in the vicinity had been missing fruit but there was no positive evidence to show that the Flickners were responsible.

Constable William Edwards of Hillsville testified that he had received a report that some of the Flickners had been selling quinces. A farmer in the vicinity testified that he had a quince tree stripped, but there was no evidence to show that it had been done by the defendants. The court has had considerable trouble with the Flickner family and it was thought best to send Ben to Morganza where he will be given an education.

Plane Destroyed, Youthful Flier Is Seeking New One

Plane Intended For Use In Trans-Continental Flight Damaged By Fire

(International News Service)

KANSAS CITY, Kan., Oct. 10.—Whether Murray B. Dilley, Jr., 18-year old aviator, will make the junior trans-continental flight from San Francisco to Boston today appeared uncertain. The youth's plane was destroyed Saturday night when Thomas Mangun, his mechanic, was killed in a test flight.

Young Dilley was to start to the coast today. His father, a captain in the Kansas National guard, is making an effort to borrow a plane for his son's flight.

Young Woman Hurt Near Coitsville

Hazel Phillips, aged 22, New Castle, sustained a fractured shoulder as a result of an automobile accident late Sunday night two miles east of Coitesville on the New Castle road.

The injuries were sustained when the car of Nicholas Cangey of New Castle, in which she was riding was struck by the car of Mike Markulia aged 42, who lives at State Line. Deputy Sheriffs Handwork and Clarke investigated the case and placed Markulia in the Mahoning county jail at Youngstown for investigation. They state that Markulia's car also struck two other machines.

Deny Report Of Prussian Loan

(International News Service)

NEW YORK, Oct. 10.—A cablegram from Berlin today that German representatives of Harris, Forbes and Company had announced the successful conclusion of a $30,000,000 loan to Prussia, was denied by the headquarters office of the company in this city today.

"The Berlin report is untrue," Harris, Forbes and Company stated. "When any announcement regarding the Prussian loan is made it will be given out here in New York, not in Germany."

Makes Some Suggestions For Needlework Guild Donations

(Contributed.)

In making donations of garments to the Needlework Guild for the benefit of the charitable organizations of New Castle it is well to keep in mind the peculiar needs of each institution.

From the Associated Charities comes the request for infants' garments, boys' waists, girls' dresses, underwear for boys and girls from 2 to 14 years of age, underwear for women, shoes and cotton blankets.

The Shenango Valley hospital asks for sheets 72 by 99 inches and 63 by 108 inches in size also for flannelette night gowns for children from 5 to 12 years age.

The Almira Home requests underdrawers and vests rather than union suits for women, petticoates, kimonas, hand towels, sheets and spreads.

The Margaret Henry Children's Home asks for underwear, stockings, wash cloths, towels and sheets.

The City Rescue Mision asks for all kinds of garments for men, women and children, also for household linen. A request for childrens' and infants' garments comes from the Salvation Army.

The Mother's Assitance Fund of Lawrence county asks for childrens' bloomers, shirts, night gowns, shoes and household linen.

The Children's Aid society asks for infants' and childrens' garments and baby blankets.

The Irene Maitland Deaconess Home asks for underwear, waists, dresses and night dresses for children from 2 to 12 years of age.

This list includes all institutions that replied to the inquiry.

Needlework Guild garments are designed for winter use, therefore they should be made of suitable materials, and should be plain and practical.

COLUMBUS DAY IS TO BE OBSERVED

A celebration in honor of Columbus Day will be staged in the Seventh Ward district on Tuesday evening and all day Wednesday. The celebration will be held under the auspices of the Christopher Columbus Society. IN ANOTHER DRY LAW FIGHT

For the second time in recent months, Indiana's dry attorney general, Arthur L. Gilliom, is under fire for alleged violation of the Indiana "bone dry" law. After he had procured medicinal whisky for his own sick children, as well as the wife of Governor Ed Jackson, who was seriously ill, Gilliom addressed a letter to the governor urging him to work for modification of the law. Now C. L. Walters, Decatur, Ind., attorney and Sunday school superintendent, has declared he was considering the placing before a grand jury evidence to show that Gilliom obtained liquor for his sister, who was seriously ill following an operation at Decatur.

AUTOMATIC AID FOR SHIPS

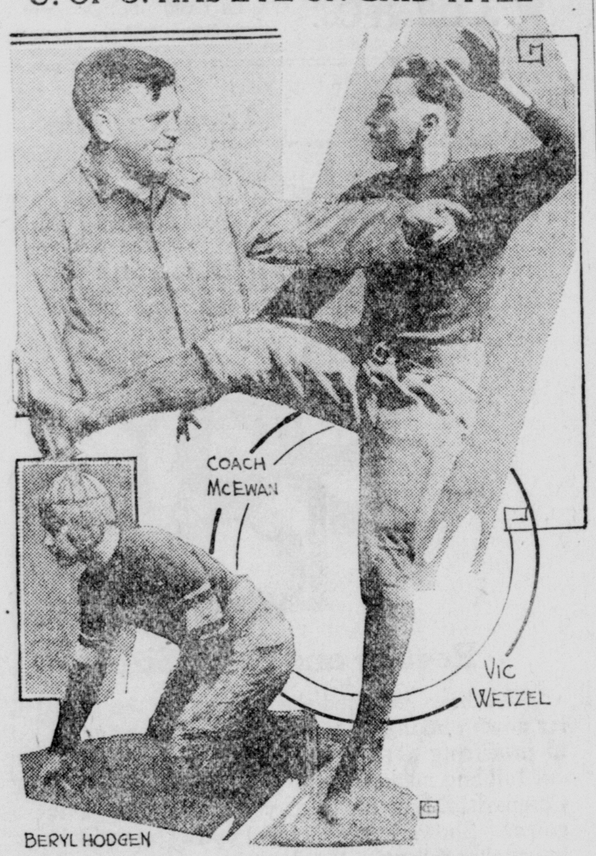

This unique apparatus, the Marconi auto alarm, is the latest application of wireless for the safety of life at sea. It is designed to notify the radio operator when off duty and other members of the crew when some other vessel within range requires assistance. A special signal is used besides the usual SOS call, consisting of a series of 12 dashes sent in one minute. The alarm operates on the termination of the third consecutive dash received, ringing bells in various parts of the ship. It consists of a receiver and selector. Left to right, the selector and receiver and one of the bell alarms.

Here is the "Babe Ruth" of the barnyard, champion egg-layer of the world, and worth her weight in gold to her owner, A. R. Landers, of Norfolk, Neb. The "Babe's" real name is Lady Norfolk. She acquired the nickname after laying 158 eggs in 158 consecutive days, shattering the existing world's record in competition at Omaha, Neb. The "Babe" is 18 months old. Landers has been offered $3,000 for her.

U. OF O. HAS EYE ON GRID TITLE

Pacific coast football experts believe the 1928 championship will be determined on Oct. 29 when Stanford University meets the gridders from the University of Oregon. Coach John J. Dancing Triumphs

A minister once prayed that the legs of Mrs. Margaret Mac, Arkansas City, Kas., dancing teacher, become paralyzed because he believed her classes would draw the young folk from the church. Now even the ministers admit she is doing a good work in regulating dancing among the young folk and as a member of the board of welfare she supervises all public dances in Arkansas City. Even the son of the minister who prayed against her joined her class.

FIGURE FIGURES IN TRIANGLE

Mrs. Genevieve D. Allen, of River Forest, Ill., has filed a $100,000 alienation suit at Kansas City, Mo., against Miss Ida Martin, youthful model, whom she says had "complete mastery" over her husband, Col. Francis M. Allen, wealthy business man. Miss Martin insists her friendship for Col. Allen is purely platonic, and that she has lost her "perfect 36" figure because of the worry she has undergone. She alleges Mrs. Allen horsewhipped her on a Chicago street and has employed detectives to shadow her constantly. Mrs. Allen admits she is willing to drop the suit providing her husband agrees to give up Miss Martin, but the latter says if the case is dismissed she will bring action against the wife. Miss Martin is at top; below, Mrs. Allen and her husband.

CANADA PAYS HEAVILY FOR HER LEGISLATION

Canadian government comes high, at least as far as the salaries of the members of the ministry are concerned. The cabinet ministers each receive $14,000 a year, the prime minister $19,000, and the governor-general $50,000. Here are some of them: Left to right, James Malcolm, minister of trade and commerce; Rodolphe Lemieux, speaker of the house; William Lyon Mackenzie King, prime minister; Ernest Lapointe, minister of justice; J. H. King, minister of health. Bottom row: Arthur Cardin, minister of marine and fisheries; Raoul Dandurand, government leader in the senate; James A. Robb, minister of finance; Charles Stewart, minister of the interior, and Peter J. Veniot, postmaster general.

Here is Leola May. Nice name, huh? But that isn't the most interesting thing about her. She paid $138.95 to $1 at Smithville, Mo., recently. She failed to attract more than two bettors for nose tickets. Her price, on $2 tickets, was $277.90 to win, $121 to place, and $25 to show. It is said to be the highest price ever paid in history of Missouri racing.

SOMETHING NEW IN STREET CARS

This street car has attracted considerable attention at the annual convention of the American Electric Railway Association at Cleveland, O. It is a front entrance-center exit car built entirely of aluminum, weighs six tons less than the steel car of the same type and takes 20 per cent less power to operate. It is owned by the Cleveland Railway company.

Weather Shark Offers Winter Like Old Times

Snow, Rain, Sleet, Ice, Predicted By "Astrologer" In Special Forecast.

Cold Season To Set In About November 12, With Big Storms To Come.

By ROBERT W. GINSBERG
International News Service Staff Correspondent

WASHINGTON, Pa., Oct. 10.—An old fashioned winter with plenty of snow, rain, sleet and ice, is the prediction for the next few months of Paul K. Schimmack, self styled weather shark and astrologer.

Sitting in his study with maps and charts, Schimmack has traced the position of all the planets up to May 7, 1928, in a special forecast for International News Service.

Schimmack advices there will be a big flood in California on October 22, with winter weather setting in about November 12.

New York and vicinity will be visited by a big storm lasting from December 1st to 3rd inclusive. Three days later there will be a heavy snowfall in Canada and the northern part of the United States.

White Christmas

Christmas shoppers will have to trudge about in mud and slush this year, but will be recompensed with a white Christmas, after which January and February will be cold and blustery.

Schimmack says the Lion will show his teeth the first part of March but that month and April will be relatively springlike. May and June will prove to be unseasonable, the astrologer said.

Chronologically, here is what he forecasts:

October 10—A storm coming out of Oregon and sweeping eastward as far as Chicago.

October 11 and 12—First snow in the Middle Atlantic States.

October 22—A big flood in California. Mercury is in the sign of Scorpion and Venus descending in Virgo, Mars in Libra the Earth sign, Jupiter in Pisces and Saturn in Sagittarius—They are all in the water sign on October 22.

November 3—Rain with a mixture of snow.

November 12—May look for winter weather coming out of the east westward to Youngstown, O., including Pittsburgh on November 14.

November 14—Real snow.
November 21—Snow.
November 24—Snow.
November 28-29—More snow.

December 1-3—There will be a big storm in New York.

December 6—Canada will be buried in snow.

Snow In Canada

December 10-12—Canada will be buried in snow again, a large portion falling also over the northern United States, as far south as Pittsburgh, where outside work will be impossible at this time.

December 14—Snow.
December 17—Snow.
December 18—Snow.
December 19—Snow.
December 22—Snow.
December 24—Snow. Schimmack personally guarantees there will be a white Christmas.
December 25—Snow.
December 26—Snow.
December 28—Snow.

January 1, 3 and 5—Schimmack advises that heavy snow may be expected on these dates.

The entire months of January and February will be real winter months.

March and April will be springlike.

May 7—Will see the last cold snap of the year.

The Way of the World

By GROVE PATTERSON

HUMOR THEN AND NOW

In a speech made some time ago James M. Beck, able New York lawyer and a student of Shakespeare, deplored what he called the dullness of the imagination of this generation. He said if we were not dull we would not throw aside the wit of Falstaff or other characters of Shakespeare and laugh at the wit of the modern newspaper comic cartoon. Mr. Beck is not convincing. Some comic cartoons are not very funny, it is true, but in many of them is much clean, sparkling and sometimes subtle humor. Much of the humor in comics and elsewhere in this modern day is just as truly humor as the wit of the ancients.

There is too much automatic worship of the past—ownership of the past just because it is the past. It is conceivable that something good might be drawn or written today

* * *

WHAT'LL YOU DO WITH IT?

protoplasm, the stuff of life, is a jelly, elastic as rubber, fibrous and thirsty for water. This fundamental substance of the cells of the human being is like gelatine, rubber, soap and casein. Well, it's the same for all of us. Apparently it's a good, durable substance. Now that we have it what are we going to do with it? Scientists are interested in our substance. Each one of us ought to take his greatest interest in the mind and character with which he can equip his substance.

* * *

CRIME VACCINATION

Scientists are talking about a serum with which children may be vaccinated against criminal tendencies. That is a big burden for preventive medicine to carry. Perhaps the best protection against criminal tendencies is the right sort of mothers and fathers—with a little of the serum of severity.

* * *

RAINY DAYS OR SUNNY DAYS?

To try to sell the idea of thrift by pointing out the need of money on the rainy day that may come is not the best sort of salesmanship. Why not point out the pleasant things that may be done with money on sunny days? Too much of our thought is negative. It is aimed at the immense possibilities of gloom. We are warned to do something lest something unpleasant may happen. Why not forecast the good results of good action rather than the bad results of bad action?

* * *

HABIT

The word "habit" has been so badly used that children are afraid of it. They are warned against all sorts of habits. Why not encourage children to form habits that will come in handy instead of warning them so much about habits that will bring grief? We take the negative instead of the positive approach.

Pile Sufferers

Do you know why ointments do not give you quick and lasting relief?

Why cutting often fails?

Do you know the cause of piles is internal?

That there is a stagnation of blood circulation in the lower bowel?

Do you know that there is a harmless internal remedy discovered by Dr. Leonhardt and known as HEM-ROID, now sold by McKee's Kut Rate, Eckerd's of New Castle, Inc., and druggists everywhere, that is guaranteed.

HEM-ROID banishes piles by removing the cause, by freeing blood circulation in the lower bowel. This simple home treatment has an almost unbelievable record for sure, quick and lasting relief to thousands of pile sick sufferers, and saves the needless pain and expense of an operation. There is no reason why it should not do the same for you.

STOMACH UPSET

Get at the real cause. That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. Know them by their olive color. They do the work without griping, cramps or pain. All Druggists. Take one or two at bedtime for quick relief. Eat what you like. 15c, 30c, 60c.

Diapepsin Keeps Appetite Young

If you have to force yourself to eat, and invariably get indigestion, sluggish headaches, and you are losing weight, excessive acidity is ruining your stomach.

This excess acid sours your food, turns it into sour bile and foul gases, and you are constantly nervous and upset.

Thousands of people credit their good health and young appetite to Pape's Diapepsin. It dissolves the acids and sweetens the stomach so you can eat anything you want. That's why 5 million packages are sold every year. Chew one or two of the tablets after meals, and you will never have indigestion, or be bloated.

All drug stores have Pape's Diapepsin.

Announcing the NEW Maytag *Aluminum* Washer

F. L. MAYTAG

WITH distinct pride and satisfaction I announce the introduction of the NEW Maytag—a washer that is a real tribute to Maytag ideals, traditions and accomplishments. It is a worthy successor to the Maytag Aluminum Washer that during the past few years won World Leadership.

This NEW Maytag is as far in advance of today as the Maytag Gyrafoam principle was ahead five years ago, and again identifies the Maytag with the most notable achievements in Washing Machine history.

I earnestly urge you to visit the nearest Maytag dealer at once and see this NEW Maytag, or take advantage of our trial plan and phone for a free washing in your own home. If it doesn't sell itself, don't keep it.

Sincerely, F. L. Maytag

Neglect Of Eyes Is Great Danger

Eye Sight Conservation Council Of American Makes Report

Neglect of the eyes is one of the greatest dangers of childhood, according to a statement by the Eye Sight Conservation Council of America which reveals the results of a nation-wide investigation into light, sight and safety. Mothers are usually much concerned when their children are not properly nourished but seldom consider the care of their eyes, it is said.

"Mothers study about vitamins and give their children vegetables and spinach but they forget that the eyes, too, need special attention and care," says the report. "They teach their boys and girls about the care of the body and don't teach them eye hygiene. Soft and glareless lights are the best for the home and school. Children often have their eyes hurt by studying at home on the dining room table which is usually highly polished.

"When a child's eyes are strained it often results in headaches and upset stomachs and nervous disorders Frequently the trouble is caused by defective eyesight and many children who are backward in school have defective vision. In many schools children are placed facing the windows and the artificial light sources are inadequate."

The report favors the use of larger type in the school books as a direct conservation measure and asserts that good lighting will not only improve general health of the children but will also make a distinct improvement in the standards of scholarship and the general well-being of the student.

Ingrown Nail

Turns Right Out Itself

A few drops of "Outgro" in the crevice of the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is a harmless antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

Congressman Swick May Name Two More Cadets

By GEROGE H. MANNING,
(Washington Correspondent of The News.)

WASHINGTON, D. C., Oct. 10.—Congressman J. Howard Swick of Beaver Falls may have two additional appointments to make to the United States Naval academy from his district in the next two years.

Secretary of the Navy Curtis D. Wilbur is strongly in favor of increasing the number of students at the academy and has indicated that he will ask congress to provide sufficieit funds and permit each congressman to name five candidates instead of three which has been the rule since 1923.

This year's class was the last of the large classes to be graduated from the academy and for the first time in ten years the navy last June reached its full strength of 5,499 officers. Next year's class will be smaller due to the fact that each congressman has been permitted to name but three candidates to the academy.

During the World War the number of appointments allotted each congressman was increased from three to five and while the law still stands the House Naval Appropriations committee has in the two last congresses specifically provided that funds shall be made available to care for only three appointees from each congressional district.

The academy will acommodate upwards from 2,400 students while next June's class will have around 1,600 midshipmen. Secretary Wilbur believes all facilities of the academy should be utilized and graduates not needed for the service could be returned to civil life and take active part in the Naval Reserve.

Veterinarians To Attend Meeting

New Manager Of Credit Association

S. I. MILLER

Stephen I. Miller, national educational director of the American Bankers' association and the American Institute of Banking, has been appointed executive manager of the National Association of Credit Men to succeed J. H. Tregoe, according to an announcement made today by Roy M. Jamison, secretary of the New Castle Association of Credit Men.

Mr. Miller will assume his new position November 1, following Mr. Tregoe's retirement from the executive managership October 31. Mr. Tregoe has been executive manager of the association for 15 years.

Council Approves City Grading Job

Councilmanic Business Slow During Solon's Meeting Today

Three members of city council, Genkinger, Burns and Davies, met in formal session at nine a. m. today and after transacting what brief business demanded attention, adjourned until 10 a. m. Tuesday.

Council's most important action was to approve a contract between the city and Olsen Company for the grading of Mulberry street, between Brooklyn and Cleveland avenues.

The company's bond was approved, as were the bonds of R. J. McFate, who will lay several sidewalks in Berger place and Hillcrest avenue.

City Engineer F. F. Miller reported to council that he did not believe that a five-foot cut in the cartway and a 4 1-2-foot slope in Vogan street, at East Washington would be satisfactory.

This cut was recommended Friday by Solicitor White and following Mr. Miller's report today the matter was sent to committee for further study.

Five Killed By Motor Accidents Over Week-End

Thirty-One Persons Reported Injured In Crashes Throughout The State

(International News Service)

Enticing fall weather was responsible for a slight increase in the number of automobile accidents in this state during the week-end, although the total number of persons killed in smash-ups remained the same as last week, according to a survey by International News Service today.

There was five persons killed in widely separated sections of the state during the week-end, and 31 persons were reported injured in varying degrees of seriousness.

Harrisburg, Pittston, Philadelphia, Washington and Mount Pleasant each reported one person killed in the week-end accidents.

Philadelphia led all other cities in the state in the number of injured, with an even dozen. Wilkes-Barre was a close second with ten, but Pittsburgh reported five hurt.

Altoona accounted for two persons injured, while Washington and Mount Pleasant each reported one injured in the automobile accidents in their district.

Ten Thousand Yaqui Indians In Revolution

Report Yaqui Indians About Ready To Surrender To Mexican Commander

(International News Service)

NOGALES, Ariz., Oct. 10. — Ten thousand Yaqui Indian tribesmen scattered throughout Sonora held the spotlight in the Mexican revolution today, with the events following the killing of Alfonso De La Huerta, rebel leader, tentatively obscuring the future plan of Mexican Federal forces.

General Pablo Macias, Sonora division commander, with his aides has Sonora Federal forces ready for an immediate campaign against "subsequent outbreaks."

"We wait advices here before proceeding, but are confident that the Yaqui difficulty has been disposed of," Macias said. "The surrender of Chief Luis Matuz with four hundred Yaquis and self is significant."

American mining men returning from Southern Sonora, however, expressed doubt concerning the reported surrender, explaining the move was probably one to disrupt the concentration of Indian masses.

Mexican Revolution Causes Concern To Labor Federation

Startling Revelations In Report Made By Executive Council Following Survey

Agreement Said To Be Reached That Will Send Obregon Back To Presidency

By ARTHUR L. MAREK
International News Service Staff Correspondent

LOS ANGELES, Oct. 10.—Understanding of a tacit agreement among the leaders of Mexico that General Alvaro Obregon should return to the presidency in 1928 and unfulfilled promises for the establishment in the southern republic of a proletarian army composed of labor battalions, are among startling revelations in a report to the American Federation of Labor convention made today by its executive council.

The report, submitted by President William Green, represents the results of an exhaustive investigation by the A. F. L. executive council into the alleged relationship between the Mexican Federation of Labor and the Mexican government.

Tracing revolutionary events in the southern republic, the report recites the overthrow of the Carranza government in May, 1920, and the subsequent naming of Adolpho De La Huerta as provisional president. In the election immediately following Obregon was elected president to fill the next constitutional term that began Dec. 1, 1920.

"It is said that an understanding was reached that General Plutarco E. Calles should succeed Obregon as president and that Obregon should return to that office in 1928, the executive council reports. "De La Huerta is said to have developed an unexpected popularity while Calles was unpopular with the army, without which the chances of success were negligible."

Mercer Teacher's Institute Opens

1927 Sessions Held At Greenville; 475 Teachers Present

MERCER, Pa., October 10.—The first change in 40 years of county teachers institute in location of its holding takes place today when the 1927 session opens for a five-day term at the Penn high school in Greenville.

The event affects 475 teachers in Mercer county, including all of the county schools excepting those of Farrell and Sharon, holding their own institutes.

The event will release for the week 25,000 school children.

The faculty for this school is the largest ever assembled for any teachers institute and totals 25. The plan of instruction will be departmentalized work. Specialists in every kind of public school teaching will be on the faculty for the week.

Faculty.

From the faculty of Grove City college on the faculty of the institute is found Dr. W. C. Ketler, the college head; Dr. Charles Platt, instructor in education; Dr. L. H. Beeler, instructor in history.

From the faculty of Thiel college at Greenville: Dr. E. Clyde Xander, the president; Luther Malmberg, dean of the college. From Westminster, Charles Dawson, head of the English department.

From Washington-Jefferson: Prof. O. F. H. Bert, head of the department of mathematics. From Edinboro State Normal: Dr. C. C. Crawford, the school principal; Prof. H. J. Organ Recital At Third U. P. Church

Will Be Given By John A. Bell, Organist Of The First Presbyterian Church, Pittsburgh

Among the special events of interest which will follow the dedication services of the new Third United Presbyterian church each evening for two weeks will be the organ recital on Monday evening, Oct. 17, at eight o'clock, which will be given by John A. Bell, organist of the First Presbyterian church of Pittsburgh.

In this recital Mr. Bell will bring out the beauty and wonder of the beautiful new organ, using the harp, chimes and echo attachments.

He will be assisted by Miss Margaret Spaulding, soprano, and Will Rhodes Jr., tenor of the choir of the First Presbyterian church, Pittsburgh.

Mr. Rhodes is heard nearly every Tuesday in the sacred concert over the radio from KDKA and is an artist of rare ability. His pure tenor voice is always under control. He uses his voice with the ease that denotes complete mastery and brings to his work a refinement of style that is a joy to the music lover.

Miss Spaulding has been heard over the radio in the sacred hour concert. She possesses a voice of rare beauty and power.

YOUNG WOMEN MAY KEEP WELL

By Taking Lydia E. Pinkham's Vegetable Compound Here is Proof

St. Paul, Minn.—"Here is a little advice I would like to have you put in the papers," Mrs. Jack Lorberter of 704 Dellwood Place wrote to the Lydia E. Pinkham Medicine Company. "If young women want to keep their health and strength for the next thirty years of their lives, it is best to start in right now and take Lydia E. Pinkham's Vegetable Compound. I have tried the Compound myself and received fine results." In describing her condition before taking the Compound, she writes, "I was afraid in my own house in broad daylight, I used to lock the doors and pull down the shades so that nobody could see me." One day a booklet advertising the Vegetable Compound was left on her porch and she read it through. In so doing, she found a letter from a woman whose condition was similar to her own. "I bought the Vegetable Compound," Mrs. Lorberter continued, "and have had fine results. The condition I was in made me a burden to my husband. Now I ask "How is housekeeping?" and he says, "It is just like being in Heaven!"

Backbone Of Glass Workers Strike Is Believed Broken

Conference Scheduled For St. Louis May Be Termination Of Strike

(International News Service)

PITTSBURGH, Oct. 10.—With the settlement of the strike of the American Window Glass Cutters League of America effected in Toledo, the officers of the American Window Glass and Flatteners Association of America laid plans today for a conference in St. Louis Thursday, that is expected to end the strike of glass workers in all sections of the country.

The Toledo conference, it was announced here, resulted in the cutters league returning to work today on the same basic wage scale in effect last year, except that a sliding scale has been provided. The manufacturers and cutters agreed that a proportionate increase or decrease would be made in wages should the price of glass go up or down. The minimum scale, however, will be 38 cents a box for single strength and 42 cents a box for double strength glass.

The conference in St. Louis Thursday, at the Hotel Mayfair, will effect glass workers in factories in Oklahoma, Texas, Louisiana, California and where glass blowing factories, other than those of the American Window Glass Company, are located.

E. H. Gillot, president of the association said today he was not sure the wage scale committee would ask for a settlement similar to the one agreed on by the cutters league and the American Window Glass Cutters and Flatteners Protective Association of America. Gillot said his union had different questions to solve, and thought that there might be a settlement affected on a different basis.

Believe Youthful Caddy Is Victim Of Brutal Slaying

(International News Service)

CHICAGO, Oct. 10.—Authorities today sought throughout the vicinity of the Skokie and Bob-O-Link country clubs for the body of little Teddy Franks, 15, a caddy and school boy, missing from his home here a week, and believed to have been slain.

Several witnesses have informed officers that probably Teddy was murdered because of an argument with another caddy. A clay hole will be dragged at the edge of a golf link.

A rival caddy, known among his companions as Gumbo, is said to have made threats against the missing lad.

Enraged Man Slays Daughter's Escort, Then Kills Self

Fatal Shooting Takes Place At Conneaut Lake Home On Saturday

(International News Service)

MEADVILLE, Pa., Oct. 10.—A fit of insane jealousy was blamed today for the fatal shooting of Theodore Clinton Schroedel, 17, a Conneaut Lake youth late Saturday by Joseph E. Peterman, 37, of near Conneaut Lake, who then turned the gun on himself. Both died Sunday.

The Schroedel boy had accompanied Peterman's step-daughter home from a football game. As he started to leave, the step-father fired two shots at the youth, one of them taking effect in the boy's neck. Peterman then sent a bullet into his own head just above the right ear.

Peterman had married Mrs. Drew Mellon about a year and a half ago, and apparently had become insanely jealous of his step-daughter, Lorraine 17, with whom the youth had attended the football game.

Start Probe Into Damaging Blaze At Big Eastern Resort

(International News Service)

REVERE BEACH, Mass., Oct. 10.—A triple investigation was under way today of a fire of suspicious origin which Sunday destroyed Nautical Gardens, second largest ballroom in the east; the Pit, the Palace of Wonders, damaged 14 other amusement places, drove 750 persons from their beds and caused property damage estimated at $350,000.

While the fire was in progress, Revere fire department officials were informed that a gang of bootleggers under cover of the blaze landed two motorboat loads of liquor at Beachmont and took it away in motor trucks.

Tobacco Company Official Missing

(International News Service)

PEKING, Oct. 10.—The American legation today asked the assistance of the Peking government in locating William Christian, a representative of the British-American Tobacco Company who is caught in the battleline on the Hankow railway.

Christian has not been heard of for eleven days.

Terrific fighting between the forces of Chang-Tso-Lin and the Shansi troops is reported in the vicinity of the Hankow railroad.

Plans are already under way for making the 1928 national air races, to be held at Los Angeles, the greatest event in the history of aviation.

Pirates Vote On Share Of Series

Manager Bush Issues Statement Regarding Hazen Cuyler Controversy

(International News Service)

PITTSBURGH, Oct. 10.—With the world series over the now famous "Cuyler case" remained clouded with mystery today, despite various statements which failed to satisfy the curiosity of many fans.

"Cuyler wasn't used in the series," Manager Donie Bush of the Pittsburgh Pirates said today, "because I thought other men could play the position better."

The Pirates of 1927 met at Forbes field for the last time to vote on the shares to be given coaches, trainers and players who were ineligible for the world series.

Pittsburgh Police Nab Tong Gunman

(International News Service)

PITTSBURGH, Oct. 10.—Pittsburgh's Chinatown breathed a sigh of relief today and continued business as usual, following the arrest of three alleged tong gunmen and hatchetmen.

Those arrested gave their names as Ching Fong, 50, Philadelphia; Harry Chang, 35, and Harry Lee, both of Chicago.

The round up was started after Hip Sing officials called on county detectives to arrest the men for extorting money from On Leong tong merchants. They stated they feared a flare-up of the tong war here.

The Daybook OF A New Yorker

BY BURTON RASCOE

Exclusive Central Press Dispatch to New Castle News.

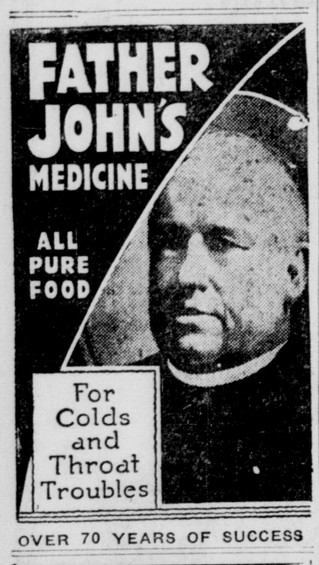

NEW YORK, Oct. 10.—It is about as important in the fashionable world to pick the place where one's baby is to be born as it is to pick the infant's prep school. All of the toney children in New York are welcomed at first either in Miss Lippincott's sanitarium, Dr. Lobenstine's, or The Sloan Maternity hospital. Occasionally, too, the New York Nursery and Child hospital is honored by some fashionable mother and child. Having your child born in any one of these four is a sort of hallmark, like the name Tiffany on a soup spoon, and I hear that in the keeping-up-with-the-Jones sections of our ambitious suburbs, young husbands are hard put to it to find the wherewithal to pay the bills at these upstage sanitariums.

The only golf course in New York City proper is an attraction at Tudor City, the apartment house colony at Forty-second street and the East river. Why anyone should wish to play golf at night is beyond me, it seems the dreariest idea imaginable that a man should spend his evening hours putting a ball around under arc lights, but the company sponsoring the course, advertises this feature with a great whoop and hurrah.

The night of the opening of "The Letter," the Maugham play with Katherine Cornell as star, I was passing a Park avenue florist, and was transfixed by the sight of a terrific set piece of flowers. Four men in smocks were hard at work, artistically disposing of a million odd immortelles, which they were fashioning into a legend against a mammoth background of red roses. Curious to know in whose memory this tribute was being made, I peeked at the complete message. It read "To Katherine from Al," and one of the young men, on being pressed, informed me it was only a congratulatory bouquet from Al Woods to Miss Cornell. I staggered out into the night after that shock. . . After seeing the lady play Leslie Crosby in the Maugham play, I decided she would probably be responsible for a new posture among the flappers, who admire and copy her, and faithfully keep up the Cornell tradition. This actress carries herself negligently, her shoulders are hunched, her head pitched forward at an inquiring angle. She has a general effect of crouching to spring. This may be an affectation she learned in that sultry play of several seasons back, "Tiger Cats." Time was when a young girl believed she was ineligible for a stage career unless she had learned to walk as though carrying a book on her head, shoulders straight, chin lifted, tummy in. But after observing Miss Cornell and Violet Kemble-Cooper (in "The Command to Love") I have decided that the stage aspirant of today need not worry how sloppily she holds herself. Miss Kemble-Cooper slues herself forward at the midriff, propelling herself about the stage like a sailboat in a swelling wind.

Call Additional Forces To Aid In Mexican Outbreak

Seek Ten Thousand Additional Men For Campaign Against Revolution

(International News Service)

MEXICO, City, Oct. 10.—General Jose Gonzalo Escobar, commanding the federal expeditionary force in the state of Vera Cruz, today called for ten thousand additional men for his campaign against revolutionary elements under General Arnulfo R. Gomez and Hector Almada. These soldiers have been ordered from the state of Sonora, where they have been fighting against the Yaqui Indians.

According to presidential headquarters, Gen. Escobar will launch his offensive with not less than twenty thousand men.

Five Men Burn To Death In Fire At San Francisco

(International News Service)

SAN FRANCISCO, Oct. 10.—Five men were dead here today and three were in a critical condition from burns as the result of a fire which destroyed the Eugene Hotel, a lodging house, yesterday.

Two of the dead were identified as M. O'Neil and E. D. Somers. The other three were unidentified.

Jewish Festival To Be Celebrated

Special Services Arranged For Temple Israel Tonight And Tuesday

The Jewish festival of Succoth or Feast of Tabernacles will be celebrated this year from Monday night, October 10th, at sundown, to Tuesday night, October 18th, at the same time.

The festival lasts regularly eight days, and is celebrated by all Jews throughout the world. It was celebrated by the Jews when they lived in Palestine as an agricultural festival, and marked the close of the harvest and the beginning of the plowing and the rainy season. It was a festival of rejoicing and merry-making when the servant was equal to the master and all united in praising and thanking God for His bountiful gifts. The Bible commanded that on this festival all the people should make a pilgrimage to the Temple at Jerusalem, and there, after offering their sacrifices, should dwell in booths or tabernacles, hastily erected of wood and beautifully decorated with fruits and flowers to remind them both of the harvest season and how their ancestors had dwelt in booths in the wilderness. Many Jews still observe the latter custom, today. In some synagogues, too, a modernized form of the harvest festival is celebrated.

Some also celebrate a supplementary festival on the ninth day, called Rejoicing of the Law, because on that day the sacred scrolls of the Law of Moses are rolled back to the beginning of Genesis and are begun to be read anew. In many synagogues the scrolls are taken from the holy ark in which they are kept and carried about in solemn procession.

At Temple Israel, corner of Highland and Moody avenues, the Sukoth-Festival will be celebrated with services tonight at 8 o'clock and Tuesday morning at 10:30, Rabbi J. B. Menkes officiating.

Colonel Dillon Called By Death

(International News Service)

SAN FRANCISCO, Oct. 10.—Funeral arrangements were being made today for Lieut. Col. John F. Dillon, member of the first Federal Radio Commission, who died here yesterday after an illness of several months.

How Movie Stars Get Their Dazzling Teeth

A NEW method in clearing up cloudy teeth, in giving "off-color" teeth an almost dazzling whiteness has been found.

Famous movie stars use this way before going on a scene. That's why movie smiles glisten so. Leading dentists urge it widely. For it protects the teeth and firms tender gums.

It works by removing a dingy film that forms on your teeth, and dulls them by absorbing discolorations from food, smoking, etc. A slippery film you can feel with your tongue; and that invites germ growth, decayed teeth and gum troubles.

Old-type dentifrices failed to remove it successfully. That's why brushing thus far failed you.

Beneath it are the teeth you envy in others. Remove it, for your own sake. One's whole appearance changes as clear, white teeth come.

The name is Pepsodent. Thousands now employ it. The makers will send you a tube to try. Or . . . today obtain large tube for a few cents at your druggist.

Some Of Farrell Ballot Boxes Are Reported Missing

Mercer County Investigation Will Probably Be Made As Result Of Discovery

(Special To The News)

MERCER, Pa., Oct. 10.—Some element of mystery has developed here in connection with impounding of the ballot boxes for the last general election, when it was discovered that there are some of the Farrell boxes missing.

It is believed that this is due to some mistake, or oversight, and not any intentional move.

It is possible that the boxes may have been used for the September primaries under some mistaken idea, but the fact that some are missing will probably result in a federal investigation, as the boxes were ordered impounded by U. S. Federal Court order.

Four Are Caught In Auto Smash, Victims In Hospital

JOHNSTOWN, Pa., Oct. 10.—Four persons were injured, three seriously, when an automobile in which they were riding overturned last night on the William Penn highway, near Munday's Corner. Three of the victims are patients at the Mercy hospital here. Their machine was badly damaged.

The injured:

Mrs. Amelia Romano, 34, of 435 Butler street, Springdale, Allegheny county, back injured and lacerations of face and head. Condition fair.

Alvera Romano, 13, severe lacerations of face and head and suffering from shock. Condition fair.

Albert Derocco, 48, 1215 Gironda street, Northside, Pittsburgh, relative of Romano's. Left ear partly severed and severe lacerations of head. Condition fair.

Mrs. Romano's husband, George, was driving the car. He escaped with minor injuries and was able to leave the hospital after receiving treatment. The others are at the hospital. They were picked up by a passing motorist and brought to this city.

Contractor Injured By Motor Truck

WOODLAWN, Pa., Oct. 10.—G. W. Kirby, aged 50, excavating contractor, living on the Brodhead road, New Sheffield, is in the Mercy hospital, Pittsburgh, suffering with a fractured skull and internal injuries. The motor truck he was driving on West Wade street, backed down a 50-foot hill and pinned him against a tree.

22 YEARS OF DIVIDENDS ON P-O SYSTEM PROPERTY

PA NEWC OBSERVES

Remember that New Castle's new hotel is not the "Castleton hotel," but it's "The Castleton." Get it right at the outset.

The new highway between Sharon and Mercer was certainly being given a real tryout on Sunday as thousands of motorists went over the new paving. The road has been greatly improved, not only in the matter of paving, but many of the grades have been changed so that the highway is much easier traversed than heretofore.

In connection with the inquiry raised by Owen P. Fox as to the kind of trees in the public square, which have a peculiar fan shaped leaf, the following has been received:

"I am a pupil of school and am much interested in nature and found that piece in the paper about the tree on the diamond. I went down to look at the tree and I looked in a book to see what it was. I am quite sure that it is a Japanese tree and that the name is Gingko.

Yours Truly,
BARBARA NELSON.

Motorists who had occasion to go through New Wilmington on Sunday discovered that a red light has been erected on Furnace hill and that a uniformed officer was stationed at the street intersection about half way down the hill.

"You can never tell about these motorists," said the proprietor of a local barbeque stand yesterday. "I had hardly opened up early Sunday morning when a party of motorists stopped and asked for hot coffee. A few moments later, another party stopped, and they wanted ice cold pop." It was chilly weather too.

Announcement that a dog law enforcer has been appointed for Lawrence and Beaver counties should result in benefit all around. It is to be hoped that his jurisdiction includes New Castle and that some of the dogs running at large will get proper attention.

Recently while motoring through New York State a local man reports he found very few places where two grades of gasoline could be bought. There seemed to be only one grade which was called motor gas. The lowest price noticed for motor gas being 12 cents which seemed to be a local brand and the highest priced motor grade was 18 cents near New York City. The same brand of gas would differ 4 or 5 cents in different parts of the state.

MOTHER

A Cross, Sick Child is Constipated! Look at Tongue

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that the little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Fig Syrup," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of the little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless, "fruity laxative" because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Fig Syrup;" then see that it is made by the "California Fig Syrup Company."

Woman Crossing Street Is Struck By Auto

Mrs. Lottie Gallagher aged 27 of Butler avenue, was struck and severely injured Saturday evening as she was crossing from the east to the west side of Washington street, near Lynn street, by the automobile of Eli Kalajainen of New Castle R. D. 6. Mr. Kalajainen was driving west on the street at the time.

Mrs. Gallagher was knocked to the ground. She was picked up by Leroy Houk and Mr. Kalajainen and rushed to the Shenango Valley hospital. It was found there that she had sustained a severe laceration of the head, bruises of the legs and arms and a fracture of the right thumb.

Car Runs Wild.

The automobile of J. H. Boyd of 420 East Washington street, was badly damaged Saturday, when it was struck by the machine of John E. Lewis of Warren, O., as it sood parked in front of the Boyd place. The Lewis car was standing in front of the Culbertson apartments, when the brakes let go and it came down East Washington street, driverless and at a considerable rate of speed until it struck the Boyd machine.

N. C. Patton, 1128 Hemlock street, reported Sunday that he was driving north on Jefferson street at Falls street, when a woman driving a car bearing Pennsylvania license X 17-965 west on Falls street, collided with his machine. Some damage was done.

Harmony Line Rates Sustained

Complaints Against Rates Are Dismissed By State Commission

HARRISBURG, Pa., Oct. 10.—The public service commission has dismissed the complaint of the boroughs of Koppel and Bradford Woods vs. Pittsburgh, Harmony, Butler & New Castle Railway company and the Elfinwild Civic association and Mars Route Community Service against the Pittsburgh, Mars & Butler Railway company in which the complainants charged the rates filed by the companies for electric interurban service were unreasonable and unnecessary.

The commission found upon the evidence presented relative to the railway companies' rate structures that the total gross revenue which was derived from the tariff was not excessive.

During the hearing it was disclosed upon examination of the exhibits filed that there had been a constant decrease in the total passenger revenue since 1921. Competition with both motor buses and privately owned automobiles was disclosed to be the predominating cause of this decline.

Complainants introduced exhibits relative to comparing rates of these railway companies with those of other electric lines in the Pittsburgh district.

The Harmony Route operates electric interurban service between Pittsburgh city line and New Castle via Evans City and Ellwood City, with an extension from Ellwood City to Beaver Falls and another extension from Evans City to Butler, the commission points out. The Mars route extends from Etna to Butler.

Since the rates complained of, which became effective June 25, 1926, the railway companies have made a number of changes in its tariff structure, all of which have been approved by the public service commission. These changes include quite an assortment of rate reductions, among which are the group mileage book, lower commutation tickets and $1 maximum fare.

INTERNE IMPROVED

MERCER, Pa., Oct. 10.—Friends of Dr. Claire Vance, an interne of the Allegheny General hospital at Pittsburgh, will be glad to learn that he has so far recovered from his recent illness as to be able to be taken to his home in New Wilmington to recuperate.

The can opener is the chief divorce ally in this country, a woman told restaurant owners. Don't tell us that the men have been keeping their money in cans!

Science has shown the brain of woman to be equal to man's. The men probably will be willing to accept that, if the ladies are.

Half Minute Interviews

Some Local Comment Ideas and Suggestions As Given To News Man

By ALFRED SWIFT

ROBERT M. STRICKLER
President, Lawrence County Sabbath School Association.

I am sure that many in New Castle will want to hear the convention speaker for Wednesday morning. He is Dr. Meyer, of London, and is one of the most noted ministers of modern times. As this is his last trip through the United States before his retirement, everyone should make an effort to hear what he has to say, which I am sure will be worth while.

RICHARD MOTT
Student

New Castle certainly showed that they had the stuff last Saturday when they gave Donora the trouncing that they did. I am sure that the boys will have more than a look in on the championship this year. In fact, if they keep up the good work, they will surely win it.

Ever since Coach Bridenbaugh has been here he has made wonder teams for the city, and this year's team, I believe, is going to be the acme of his production. Or, at least, of all the teams that he has produced so far.

STEWART P. HOWSON
The Castleton

Well, things are getting along fine up here towards the opening, and in my department especially.

Downstairs we have one of the largest store rooms in the city, and now it is being filled with $10,000 worth of groceries prior to the opening. While that sum sounds rather large, yet, when one stops to consider the size of the hotel and the number of guests we shall entertain, one can see that it will be by no means too much.

H. R. HOUSTON
South Side Merchant

Year by year, it seems, they are making the busses larger and wider until, in the near future, it seems that we shall need wider roads.

Even now it is all that the average passenger car can do to get around one of these busses when both are going the same way. Notice it the next time you are on the road. You will see the driver of the passenger car try to get around a bus at least four or five times before he succeeds. And sometimes, when the traffic is a trifle heavy, well, the best thing one can do is to mope along behind the bus.

Firemen Called To Chestnut Street

Firemen were called to Chestnut street last night to fight a small blaze in the street caused by the ignition of some gasoline, which leaked from a car which had been standing at that point. After the car had gone, some person unconsciously threw a match into the gasoline causing the blaze. The firemen were called to the place by an alarm from box 41.

Reckless Driving Charge Is Made

Homer Miles, arrested over the week end on a charge of reckless driving made by Motorcycle Officer Charles Augostine, has put up a forfeit of $50 for his appearance on October 11, when he will be given a hearing by the mayor.

Boosting her husband unmercifully, she told the ladies of her bridge club that he was lamblike. "Sheepish", thought they.

Colds That Develop Into Pneumonia

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the gratest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

Ellwood High Victorious In Hard Fought Game Saturday

Disagreement Arises In Last Part Of Third Quarter Over Ellwood Man's Tackle

Justine Carries Ellwood's Ball Over 70 Yards, A Beautiful Perseverance

ELLWOOD CITY, Oct. 10.—Ellwood City high plunged its way to their third consecutive victory Saturday by defeating Beaver 13-0 in one of the most hectic battles ever staged on the Ellwood grounds.

In the last part of the third quarter the game nearly ended in a clash when MacMurdo tackled Toad after the latter had run 30 yards down the field and one of the other Beaver players attempted to strike MacMurdo, declaring that it was a "dirty tackle". Excitement arose and in a few moments the field was crowded with spectators holding the game up. Police cleared off the field.

The officials, after holding a conference with the coaches, signaled for the game to continue. This is the first time in the history of these two schools that any disagreement has arisen—the fact is these two towns have been more or less more friendly than any of the other valley squads. It is thought that the many penalties suffered by both teams caused the fighting spirit and agitation.

Now to get back to the game. Justine, quarterback, performed one of the most spectacular plays of the game when he carried the ball over 70 yards by nine continual plunges through the line, making six first downs, to finally cross the goal line, scoring Ellwood's second touchdown. Then he proved that he still had some stamina by kicking the ball over for the extra point, making the score 13-0.

Fanno and Bill King gained much yardage for the victors and King was responsible for the first score. Toad and Netherland starred for the Beaver eleven, Toad ripping off over 30 yards in one of his runs. Toad made a sensational 70-yard run, Justine saving the day by making a beautiful tackle.

Beaver offered stubborn opposition and were determined to fight until the last minute and succeeded in doing so. This was Ellwood's first valley game and it was important to win it if they want to continue their march towards the W. P. I. A. L. cup. Regardless of the fact that the field was muddy there were few fumbles, at least to affect either team to any great extent. Penalties were plentiful, both teams having a number of 15-yard penalties, most of them being for holding.

Ellwood's first touchdown came in the last part of the first quarter and it was not until the last few minutes of play that another score was made. The crowd went wild in the last five minutes of the contest when Justine time after time carried the ball, plunging through the line for a gain every time until the goal line was crossed after a march of 70 yards.

Game Starts.

Ellwood kicked off to McCleary, who was downed in his tracks. On the next play the ball was run out of bounds but no gain. A five-yard penalty for an offside set Beaver back. Lennox almost lost the ball on the next play but recovered. Toad punted to Fanno, who ran it back ten yards. King gained two and 18 yards were added to it when Fanno tore around the right end. A pass, Fanno to Turner, netted five and Justine made two more but Ellwood was forced to punt.

Beaver failed to gain and Toad was forced to kick from the 18-yard line. King did not gain in the first attempt and a pass by Fanno was incomplete and on the following play Best threw Fanno for a five-yard loss. Justine punted the ball, going out at the 28-yard line. Maloney stopped Morton in the first play and in the next Maloney rushed in again and tackled Toad before he could get a start. Netherland gained three but did not make first down and Toad kicked to Fanno.

The punt was followed by a 15-yard penalty in Beaver's favor, Ellwood holding. Toad ripped off 15 yards but the heart was taken out of the valley eleven when they were penalized 15 yards for holding. Lennox netted two yards and a five-yard penalty on Ellwood added to their yardage. But it did them little good for they were forced to punt. Fanno set the crowd on their feet by running the kick back 30 yards. A pass, Fanno to Maloney, added ten yards and Haswell collected six more on the next play. King crossed the line on the following play, scoring Ellwood's first touchdown. MacMurdo failed to kick it over for the extra point.

Toad received the kickoff but it was taken back for another kickoff, Ellwood being offside, giving them a five-yard penalty. In the second kickoff Toad ran the ball about 70 yards, carrying it to within 18 yards of the goal, Justine making a beautiful plunging tackle to keep Toad from scoring. This ended the first quarter.

After getting the ball within the shadow of their own goal posts Beaver failed to gain, forcing them to give the ball up to Ellwood. Haswell gained a yard but Fanno was thrown for a seven-yard loss by Morton on the next play. Justine punted and Netherland, who accepted it, was stopped in his tracks. Toad plunged through the line, gaining only a few yards. Morton fumbled and Haswell recovered it for Ellwood. King and Justine made it first down and on the third play Fanno fumbled but recovered it. Justine ripped off seven but Ellwood again suffered a 15-yard penalty for pushing.

Best intercepted a pass in the following play and Netherland carried the ball for a short gain in the first attempt. Maloney stopped Lennox in his tracks in the next play preventing him from gaining. Again Ellwood suffered a 15 yard penalty for pushing and what was thought to be another score proved false after Justine picked up the ball in the next play and running 80 yards the referee declared that the whistle had been blown. Beaver was caught holding and was set back 15 yards.A pass was incompleted MacMurdo breaking it up.

Beaver suffered another five yard penalty. Toad was successful in catching a pass which netted several yards. On the next play Toad kicked to Fanno who was downed by Morton. King and Haswell made first down and a criss cross Justine to Fanno, netted another yard but Ellwood was forced to punt, Toad accepting it on the 40 yard line, Netherland carried the ball twice but failed to gain as did Toad in the next play. Toad punted but the ball was taken back, the referee stating that Ellwood tried to trip. Moron ripped off six in the first play and Netherland gained one in the next.

Netherland was hurt rather seriously in this play. The half ended with the ball in Ellwood's territory, Holland gaining seven yards in the last play.

In the beginning of the half Ellwood kicked off to Netherland who was stopped in his tracks. Holland ripped off five in the first attempt and 15 yards were added to their favor when Ellwood was penalized for slugging. Morton, Lennox and Toad failed to make first down, Ellwood taking the ball. Justine gained five and King netted ten more and Fanno one. In the next play Justine fumbled, Lennox recovering for Beaver. Morton and Maloney were accused of slugging and were put out of the contest.

Then came the most exciting part of the game. Toad ran the ball for 70 yards and was tackled by MacMurdo. One of the Beaver men then attempted to hit him, saying that MacMurdo tackled Toad "dirty." Several of the players began to argue and in a few seconds spectators streamed on the field. Police soon cleared the field. Lennox and Toad gained only one yard between them in the next two plays, Henrich and Toad failed to make first down. Ellwood taking the ball. The third quarter ended as Fanno made first down and King lost nine as he almost fumbled.

A pass by Fanno was incomplete and Justine punted to Netherland. Lennox gained two but was injured in the play and was replaced by Ezzo. Toad and Netherland could not gain, the former punting to Fanno on the fourth down. Ellwood punted in the third play after failing to gain. Following the first play Beaver was caught holding and a 15 yard penalty resulted. Justine and King made first down and in the third play King again carried the ball but was injured being replaced by H. Slocum. A pass, Fanno to Justine, netted 12 yards.

Justine then began a continual march down the field calling himself back play after play madly plunging through the line for 70 yards until he successfully crossed the line making six first downs. He also kicked over the extra point. The game ended immediately after the first play following the kick off Ellwood to Beaver.

This game was interesting from beginning to end and although Beaver was defeated she put up a game battle and never let down until the whistle blew. Morton, Toad and Netherland played a hard game for the valley eleven and deserve considerable credit. Beaver is coached by Chet Havile a graduate of Carnegie Tech. In the absence of Lawrence who has been ill for a week Justine was placed at quarterback and Haswell at fullback Ellwood's line was like a stone wall, Beaver being unable to pierce through it Mains and Duncan played well on the line while Turner and Maloney defended both ends in fine form.

Heated Campaign

Kentucky's gubernatorial campaign has attained national interest this year because of the fight that is being waged against the law permitting gambling on the race tracks of the state. J. C. W. Beckham, of Louisville, above, former governor, and ex-U. S. senator, is the Democratic nominee. Judge Flem D. Sampson, Barbourville, below, is the Republican candidate. It is said by Beckham's opponents that the election of Beckham would kill organized racing in the state.

ELLWOOD CITY, Oct. 10. — Mrs. John Morrison, aged 76, passed away at her home on Fifth street Sunday evening after a brief illness which began Saturday. Death came as the result of heart and goiter complications. She leaves her husband John Morrison, her sons, William Charles and Walter, at home, and Frank of Gary, Ind., and a daughter Mrs. Margaret Chilcote of Pittsburgh.

Funeral services will take place on Tuesday afternoon from the home, with interment in the Locust Grove cemetery.

Impressive Rites For Corner Stone Of Masonic Home

Rev. Hugh Thompson Kerr Of Pittsburgh Delivers Address Of The Day

ELLWOOD CITY, Oct. 10.—Many hundreds of people thronged Crescent avenue for a solid block to witness the impressive ceremonies attendant upon the laying of the corner stone of the new Masonic temple being erected here.

Previous to the activities a large parade of local members and visiting officials traversed the business section of the town, led by Prof. O. E. Bartel and the high school orchestra.

Part of the corner stone ceremonies consisted of placing Saturday's edition of the New Castle News, containing an account of the activities along with other documents in the stone.

J. Russel Urmson, district deputy grand master and other officials played an important part in the ceremonies. Three selections were given by a double quartet consisting of Mrs. W. R. Thompson, Mrs. Harry Harris, Miss Mary Blocher, Mrs. H. D. Patterson, P. W. Blocher, William Jones, Louis Baker and B. J. Bell. The numbers were sacred hymns with Masonic wording.

At the close of the ceremonies the local men and visitors marched to the Methodist church where a banquet was served with covers laid for approximately 250.

Rally Day In Churches Well Attended Here

ELLWOOD CITY, Oct. 10.—Rally Day was observed in three local churches yesterday, with excellent attendance.

In the First Christian church 482 attended the Rally Day.

In the Bell Memorial church, 405 were attracted.

In the First Presbyterian church 300 were present. Interesting programs were conducted, and large classes were promoted.

Presbytery Has Retreat And Rally

ELLWOOD CITY, Oct. 10.—Activities in the First Presbyterian church for this week open with a Presbytery retreat and rally which is being conducted today in the First Presbyterian church of Sharon, activities starting at three o'clock, conducted by Rev. Floyd W. Barr, D. D. A dinner meeting will be enjoyed at 6:30. In the evening Rev. George W. Welburn, D. D., now head of the religious education State Sabbath School Association, will give an address.

A fine rally day was enjoyed in the church yesterday, with increased attendance and splendid program.

Members of the Young Women's Missionary Society will meet Tuesday at the home of Mrs. H. W. Smith. Speaker will be Mrs. Q. A. Holsipple, missionary of India.

Prayer meeting omitted on account of Sunday school convention in New Castle.

Mary Maxwell Offutt, Hostess

ELLWOOD CITY, Oct. 10.—Miss Mary Maxwell Offutt entertained the members of her bridge club Saturday evening with a dinner-bridge at the Ellwood Country Club. Covers were laid for eight, with Miss Phyllis Thomas as a special guest. The places were laid at one long table, centered with a pretty arrangement of fall flowers.

The ensuing hours at the conclusion of the menu were devoted to a series of games, score favors being awarded to Miss Mary Jane Thompson and Miss Ruth Jordan.

Members of the club are: the Misses Ruth Jordan, Grace Wright, Jean Hill, Barbara VonKrogh and Fern Cloak.

HOSPITAL NOTES

ELLWOOD CITY, Oct. 10.—Discharged yesterday, Miss Verna Gilbert and Mrs. Edwin O'Hara and baby of Park avenue.

Ask Motorists To Have Car Lights Adjusted

Hazardous Traffic Problem Can Be Eliminated with Adjustment Of Head-Lights

ELLWOOD CITY, Oct. 10.—Motordom now is entering the season of more headlight use, when glare makes its damaging effects most seriously felt and the motor car owner who is interested in making his own path and that of his fellow driver easier and safer will give a thought to the condition of the lights on his car, says Burton J. Bell, president of the Ellwood Motor Club. Fall brings into service lights that may have seen relatively little use during the summer when days were long. Mr. Bell points out, and the result is the creation of a traffic hazard that long has been regarded as one of the most serious. Attend to this matter at once.

Slippery Rock Evangelist Holds Crowds Nightly

ELLWOOD CITY, Oct. 10.—Rev. Houston, who has been delivering a series of Evangelical addresses in the Slippery Rock Presbyterian church will continue his work this week.

Last night the auditorium was crowded. Tonight he will hold a service for the school children, and members of the Men's Bible class will also be present in a body. The topic of his sermon will be "The Kidnapped Girl."

Tuesday he will preach on "The Drama of Life; Wednesday, "Inventory of Life;" Thursday, "S. O. S." On Sunday evening, the last of his visit, he will tell the interesting story of his blindness.

There will be no Woman's Missionary society meeting this week in the Slippery Rock church owing to the Sabbath school convention. The meeting has been postponed until Wednesday, October 12.

Many Local People Are Delegates To State Convention

ELLWOOD CITY, Oct. 10. — The local churches will be well represented at the annual State Sabbath School convention which takes place in New Castle Wednesday, Thursday and Friday of this week. The new hotel, "The Castleton" will be opened for the convention, and thousands of delegates will be present.

The Christian church is sending about 50, the First Presbyterian, 35; Slippery Rock 16, besides many others whose names have not been handed in.

Eighty-Six Men Enjoy Banquet

Double Quartette From New Castle Pleases With Several Selections

ELLWOOD CITY, Oct. 10.—Eighty-six members of the Men's Bible class of the First Christian church enjoyed a banquet in the church Saturday evening.

Prominent in the program was the double quartette from New Castle led by William Richards of the Central Christian church of that city. They sang several selections.

Rev. C. G. Huffer acted as toastmaster, introducing D. C. McGeary, president of the class, for a few remarks. Several selections from the song sheets were sung by the class; A. J. Howell gave a talk on the Bible school; George Evans of this city, a basso of distinction, sang three solos accompanied by Stanley Evans at the piano. One number which he rendered especially well was the well-known bass solo, "The Old Bass Viol."

Credit for the excellent menu and prompt service is given to the ladies of the church.

Dane At Club On Friday Night

ELLWOOD CITY, Oct. 10.—W. R. Johnston, chairman of the men's entertainment committee of the Ellwood Country Club, announces to the members of the club that there will be a dance at the clubhouse Friday night, one of a series planned by the committee. These parties are the result of popular request and have been largely attended and enjoyed so far.

Something extra in the way of a super-fine orchestra will be provided. The dance is open and members will be permitted to bring friends.

LEGION WILL ELECT OFFICERS

ELLWOOD CITY, Oct. 10.—Local members of the American Legion will conduct their regular meeting Tuesday evening in their rooms in the Post Office building. The main feature of the meeting will be the election of officers.

DAMES OF MALTA

ELLWOOD CITY, Oct. 10.—Dames of Malta will meet Tuesday evening in their lodge rooms in the First National Bank building. At this time the degrees of Ruth and Esther will be conferred on a class of candidates.

NEW CASTLE HIGH DEFEATS DONORA 58-0

Visitors Outclassed In Lopsided Battle

New Castle Scores Nine Touchdowns; Art Sillman And Paul Reider Co-Star For New Castle; Richards Runs 70 Yards Through Entire Field For Touchdown; Lineman Tear Vast Holes In Donora's Line; Bridenbaugh Is Satisfied With Showing Of Gridders; Ercius Stars For Visitors

Scoring a point for every minute of play, New Castle High school's football team swamped the highly touted Donora High eleven beneath an avalanche of touchdowns at Franklin Field Saturday afternoon. When the final whistle blew the New Castle team walked off the field with another victory, this time to the tune of 58-0.

It was ideal football weather Saturday afternoon, and Coach Phil Bridenbaugh's warriors took every advantage of it.

Sillman Makes Sensational Play

Art Sillman featured at times for New Castle. Early in the first quarter of the game he ran from his own 45-yard line through the entire Donora team for a touchdown. Once again, on a triple pass in the backfield, he annexed another six-pointer from the visitors. And again in the fourth quarter Sillman crashed through the center of the line for 30 yards and a touchdown.

Co-starring with Sillman in Saturday afternoon's fray was Quarterback Paul Reider, who garnered three more of the nine touchdowns. Plunging through the center of the line, Reider made his first tally in the second quarter. Again, in the same quarter, Reider hit the center of the line for another six-pointer, and in the third quarter, on a double lateral pass in the backfield, Reider again crossed the last chalk mark after a 23-yard run.

Captain Richards Runs70 Yards for Touchdown

By far the most sensational play of the afternoon came when Captain Tippy Richards ran 70 yards through the entire Donora team for a touchdown. Starting on his own 30-yard line, Richards was not stopped until seven 10-yard markers had flashed under his feet.

Ercius, giant fullback of the Donora team, was easily the star for the visitors. Making practically all the ground which was gained by the Donora gridders, he stood out head and shoulders above the eleven which held New Castle to a seven-seven tie last year, and probably wrested the championship from them.

Harper, New Castle's plunging fullback, proved the mainstay of the local line. Time after time he was behind the line even before the visitors could get their plays started, nailing his man each time.

But the local line opened vast holes for the backs to go through. And time and time again the backs would rip through for substantial gains of 10 to 30 yards.

In the passing department was shown New Castle's only weakness. Only a few of the many attempted passes were successful, but the boys made up for it by the superb lateral passing in the backfield.

First Quarter

Captain Schmitt of Donora won the toss and elected to defend the north goal. Richards of New Castle kicked to Bedford on his 25-yard line and he returned it to his 32-yard line. After a tackle play and a pass had failed Ercius of Donora kicked to Sillman on New Castle's 25-yard line, who returned the ball in one of the longest runs of the game to the Donora 18-yard line. Harper then carried the ball through center for seven yards, after which a pass failed. Penalized five yards for an off-side play, Reider hit tackle for no gain. Two more passes failed and it was Donora's ball on their own 16-yard line. Ercius ran around left end for a gain of two yards and Schmitt garnered four more at tackle. Ercius, after a two-yard gain at center, punted to Sillman on his own 45-yard line, and he returned it, running through the entire Donora team for touchdown. Richards missed a placement for the point after touchdown. Score: New Castle 6, Donora 0.

Schmitt kicked to Mooney on New Castle's 38-yard line and it was returned to the 38-yard line. On the next play Harper fumbled and the ball was recovered by Donora on the New Castle 38-yard line. Ercius, on a trio of line bucks, made seven yards. A forward pass failed and it was New Castle's ball on their own 31-yard line. On the next play, a wide, sweeping end run, Richards crossed Donora's goal for a touchdown. He also kicked the point after touchdown. Score: New Castle 13, Donora 0.

Richards kicked to Pankiewicz on the 35-yard line, who returned it to the 37-yard line. A pass from Ercius was intercepted by DiCarbo, and it was New Castle's ball on Donora's 22-yard line. New Castle was penalized 15 yards for roughness, putting the ball on the 37-yard line. Reider rounded end to the 25-yard line. Richards was hurt on the play. Sage was substituted for Richards. Harper hit tackle for five yards and a pass, Reider to Craft, made it first down on the 12-yard line. Sage, on a short end run, brought the ball to the four-yard line and Harper crossed the chalk mark for a touchdown. Sillman missed the point. Score: New Castle 20, Donora 0.

Schmitt kicked off to Harper on his own 20-yard line and the ball was returned to the 41-yard line. Sillman rounded right end for a first down on the Donora 48-yard line and Reider hit left end for no gain as the quarter ended.

Second Quarter

Ball on Donora's 48-yard line. Sage hit right guard for a first down on Donora's 37-yard line Sage fumbled when he attempted to sweep around Donora's right end, but recovered with a gain of two yards Reider smashed through center for seven yards and Sage made it first down on the 25-yard line On a triple backfield pass Sage made it first down on the 11-yard line On the next play Reider hit center for a touchdown. Sillman missed the point. Score: New Castle 26, Donora 0.

DiCarbo kicked off to Schmitt on Donora's 18-yard line and the ball was returned to the 32-yard line. New Castle was penalized 10 yards, placing the ball on Donora's 42-yard line. Recius lost one yard around end. Schmitt gained three yards at tackle. Ercius fumbled on the 32-yard line, but recovered. He then punted out of bounds on Donora's 40-yard line. Sillman hit tackle for five yards and Reider, on a double pass, was forced out of bounds on the 23-yard line. Sage then ripped five more yards on an off-tackle play and Harper made it first down on the 14-yard line. Reider, on an off-tackle play, made a touchdown. Sillman missed the point. Score: New Castle 32, Donora 0.

DiCarbo kicked off to Ercius on the 18-yard line, who returned it to the 23-yard line. An end run netted no gain and a plunge by Pankiewicz gained but two yards. A pass failed. Alexander injured his ankle on this play and Mike was substituted. Ercius kicked to Sage on New Castle's 47-yard line and he was downed in his tracks. Harper hit center for three yards. A pass failed, but another, Reider to Sillman, brought the ball to Donora's 35-yard line. Reider gained 10 yards around end and Sage carried the pigskin to the 18-yard line as the half ended.

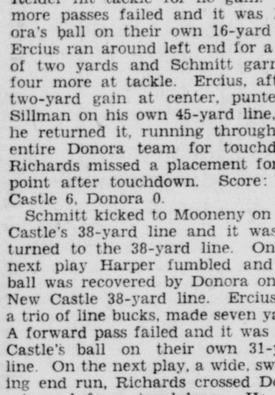

Third Quarter

DiCarbo kicked to Ercius on his 18 yard line, and he returned it to the 30 yard line. A lateral pass to Schmitt put the ball on the 45 yard line. Pankiewicz gained two at center, while a pass, Ercius to Schmitt failed. Another pass failed, and Donora was penalized five yards. Ercius kicked to Reider on the New Castle 25 yard line, and he returned it ten yards, Sillman gained three through tackle. Harper hit the center of the line for two yards. Harper gained two at guard and one at center, making it Donora's ball on downs. Ercius hit center for three yards, but Donora was penalized five yards, placing the ball on the 48 yard line. Pankiewicz made a yard around the end. A pass from Ercius was intercepted by Reider on New Castle's 34 yard line. Sillman rounded right end for 13 yards and a first down. Reider hit left end for no gain. Sage, on a right end play, put the ball on Donora's 23 yard line. On a double lateral pass, Reider romped over for a touchdown. DiCarbo missed the point. Score, New Castle 38, Donora, 0.

DnCarbo kicked to Grittie on the 29 yard line and the ball was brought to rest on the 32 yard line. After a

Grove City Ties With Cleveland Team Saturday

Ralph Day, Former New Castle High Player, Gets In Game And Shows Up Well

CLEVELAND, Ohio, Oct. 10.—Grove City college tied John-Carroll here Saturday afternoon, 7-7 in their annual gridiron contest.

The Pennsylvanians outplayed the locals on the offensive for the greater part of the game, and their score came when a Carroll man fumbled and gave the Grovers the ball near the goal line, Holsinger the visitor's fullback plunged over for the touchdown. Brickman tallied for Carroll in the third period on a line plunge.

For Grove City the playing of Holsinger and Ralph Day, a substitute halfback, featured, the forward passing system Day to Holsinger and vice versa was worked time after time with fine results.

The summary:—

John Carroll—7		Grove City—7
Sapp	L E	Rankin
Bosch	L T	Pflug
Meyers	L G	Sofish
H. Storey (C)	C	(C) O'Connell
Mielcarek	R G	Reeves

Head linesman—Snyder, Harvard.

It is the province of the second, and not of the principal, to claim fouls, was the dictum laid down by the late George Siler of Chicago, one of the greatest boxing referees of all time. The boxer has all he can do to guard himself against his opponent, declared Siler, for a foul does not become one in fact until it is allowed by the referee. Under the circumstances the only thing that a boxer can do with perfect propriety is to back away and keep himself protected until his seconds have put in their claim of foul in his behalf and the claim has been allowed or denied by the referee.

Now that the Summer sports have made their exit the bowlers will begin to do their stuff. Reports from all sections indicate that a banner season is in prospect for the knights of the tenpin.

Plenty Of Upsets In Eastern Grid Circles Saturday

Yale, Harvard And Penn State Drop Games To Teams Unexpectedly

Pitt, Tech And Penn Run True To Form And Emerge Victorious

By MALCOLM ROY
International News Service Staff Correspondent

NEW YORK, Oct. 10.—And the weak shall be strong and the strong weak may be too free a paraphrasing of the old scriptural text but none the less it sums up fairly accurately the football situation of this early October setting in the year 1927. Perhaps no other October Saturday in the near or remote past has seen such an overthrowing of favorites as was witnessed last Saturday afternoon when there was an almost complete recersal of form up and down the Atlantic seaboard and even to points far inland. Out of the welter of topsy turvy scores the most unexpected happenings were those at New Haven, where Yale succumbed to a stout hearted Georgia team by a score of 14 to 10 and at Cambridge where Harvard is still quivering from the shock of a 19 to 0 setback at the hands of Purdue of the Western Conference.

Pennsylvania turned in one of the biggest surprises of the day by upsetting the supposedly invincible "Iron Men" of Brown by a score of 14 to 6.

Several Reversals

But there were other reversals quite as disastrous in their sphere as those three major upheavals. Colgate, regarded as one of the best teams of the East, was defeated 6 to 0 by Virginia Poly-Technic Institute. Hugo Bezdek's Penn State eleven, always there or thereabouts when the final accounts of the season are audited, came a cropper by a score of 13 to 7 at the hands of Bucknell.

Maryland, conqueror of Yale last season fell before North Carolina by a single point in a 7 to 6 battle and even Alabama, than whom there was none stronger a year ago, was held to a 0 to 0 tie score by Louisiana State down at Birmingham. In the West, Nebraska was turned back by Wisconsin 7 to 6, in a game Nebraska had counted as good as won.

Any more upsets than these would probably call for a drastic revision of schedules, but as it is the balance of the season assumes a somewhat scrambled aspect unless Saturday's fallen heroes suddenly come to life again. Yale's chief difficulties, as viewed from the sidelines, were an inability to hold the ball, failure to provide interference, especially to the receivers of kicks and passes, and a general sluggishness in line play. But crowning all these faults in the fact that the Blue is apparently only a one man football eleven and that one man is the veteran Bruce Caldwell. Without Caldwell on the field Yale eleven was worse than a ship without a rudder. Yale made nine fumbles.

Over-confidence seems to have been Brown's strongest foe in the early periods against Pennsylvania and then the Quakers' plan of dogging the Bears on every play bore fruit when Paul Scull intercepted a pass and ran for a touchdown. Penn played a beautiful defensive game from start to finish and had the scoring punch when the opportunity offered. The Brown line was as strong as ever but the backfield was so completely covered by the Quakers that they never even got going, hence the failure of the Providence eleven to get its usual early jump on an opponent.

Purdue Beats Harvard

Harvard was decisively and soundly beaten by a Purdue eleven which outplayed and outsmarted the Crimson. Only once did Harvard have the ball beyond midfield. It was outrushed almost three yards to one, its line was out-charged both on defense and on attack and its backs were stopped virtually in their tracks. Princeton, Cornell, Dartmouth, and Syracuse all had comparatively easy games which ran true to form and the same was true of the local elevens, Columbia and New York University.

Pittsburgh swamped West Virginia 40 to 0 and Lafayette smothered Rutgers. Army and Navy elevens were each scored upon by Marquette and Drake, respectively, but won by comfortable margins.

Pittsburgh Will Trade Cuyler This Winter Is Report

Giants, Robins And Reds Willing To Give Liberally For Pirate Outfielder

(International News Service)

NEW YORK, Oct. 10.—Pittsburgh baseball fans have made their last call for Kiki Cuyler. The Pirates won the National league championship, but went down to defeat before the New York Yankees with Cuyler held on the bench on orders from Barney Dreyfuss, Pittsburgh owner.

Cuyler will be place on the block this winter. There are just seven clubs in the National league that would be glad to take Cuyler off Pittsburgh's hands at advantageous terms. First and foremost is New York. McGraw would trade on liberal terms for Cuyler, but because of the age old feud between McGraw and Dreyfuss, Cuyler is out so far as the Giants are concerned.

Right now the chatterboxes have it that Kiki will go to Cincinnati in exchange for George Kelly and Hughie Critz, or for Critz alone if the other deal cannot be swung. If the Pirates get Critz they will shift Grantham to first base.

Wilbert Robinson, president and manager of the Dodgers, is willing to give Jess Petty to Pittsburgh for Cuyler and Rhyne.

S. S. Bulldogs To Practice Tonight

The South Side Bulldog football team will hold an important practice session tonight at the Ben Franklin high annex field. Coach Jack Reider asks all players to report for practice tonight.

The Bulldogs plan to open their season in a few days and all teams desiring games with the Bulldogs are asked to get in touch with Jack Reider or call 2919-W any time after 5 o'clock and ask for Johnny Lewis.

The South Side boys were the independent champions in 1926 and are confident of capturing the honors again this year. Walt Sumner and Ryhal are asked to report for practice tonight as well as all other members of the team. Those not reporting tonight may be dropped from the squad, Coach Reider said today.

Indiana University football team is without a captain this season.

Dayton Steele Here Saturday

Coach Bridenbaugh Plans Intensive Drills For High Team This Week

Having disposed of Donora high in a most satisfactory manner, the New Castle high football team will bite off a bigger chunk next Saturday at the Ben Franklin high stadium when they battle with Dayton Steele.

With four early season victories already marked up on the proper side of the register the locals are going to try and make it five straight this week.

Dayton Steele will bring to this city one of the best football teams in the western section of the state of Ohio. Last year the Dayton boys enjoyed a wonderful season and were strong contenders for schoolboy honors in their district.

New Castle high football team this year is perhaps just a little better than those of the past few previous years, and the red and black warriors have fond hopes of scholastic honors. A defeat at the hands of Dayton Steele will not reflect on their W. P. I. A. L. rating, but on the other hand a victory over this powerful aggregation will boost their stock several points above par.

Coach Bridenbaugh is not taking any chances on the boys not being in condition for the game Saturday and had them out on the field this afternoon, which is unusual following a Saturday battle, but the mentor contends that if they are to down Dayton Steele that they will need plenty in the way of improvement. Intensive workouts are scheduled for every day this week with the exception of Friday afternoon.

Sport Ritticisms

By BILL RITT

Third Tunney-Dempsey fight looms for next year. Well, Tunney just has to whip Jack twice more and he takes the series.

So far it has been a shut-out for Jack, but just you wait—in about five more fights he'll have Gene's defense all figured out.

If this keeps up, today's babies will be tomorrow's Tunney-Dempsey fight experts. And Tex Rickard has figured a lifetime job for himself.

Radio report in 1970: "Dempsey reeled out of his chair and hit Tunney a stunning blow with his crutch. The champ sat on his beard, but, despite his rheumatism, was up at the count of nine or 13.

First families in America will be those who can date back as far as the Chicago brawl. Those witnessing any 10 of the Jack-Gene disturbances will be eligible for citizenship papers.

Single Field Goal Wins For St. Francis Eleven In Westminster Game

(Special To The News)

NEW WILMINGTON, Oct. 10.—Fumbles which marred the Blue and White victory at Buffalo last week again cropped up this Saturday as the St. Francis gridders defeated Beede's team 3-0 here. A field goal in the first quarter by Kunzler, St. Francis quarterback, spelled defeat for the Blue-jerseyed team as constant fumbles broke up their marches to the opponent's goal line.

Coupled with the Westminster fumbles, the straight football tactics used by the Loretta team gained them much ground, giving them 13 first downs in the course of the game. Westminster gained but six first downs. The outstanding star for the St. Francis outfit was probably McLister who with his line plunging brought the ball within scoring distance for his teammate to kick over the three-point score. Smith also showed up well in the "Saint's" backfield.

Havrilla, again playing regular for the Blue and White team, starred for the U. P. team both on defensive and offensive work. Machin playing end and Holzaphel, a substitute back, also showed up well. The final whistle sounded amid a Westminster rally that threatened the St. Francis goal line.

St. Francis Scores

Having won the toss St. Francis elected to kick and Ingolsby's kick carried to Lauder who returned it seven yards to Westminster's 25. Here Lauder punted to Kunzler. St. Francis began a march down the field with McLister and Smith hitting the line, lost the ball after two incompleted passes but regained it when Dible fumbled. After some line plays and a pass that put the ball on the 20 yard line Kunzler, St. Francis quarter, kicked it over for the only score of the game. Ingolsby kicked off again and the ball seesawed back and forth until the end of the quarter.

Westminster gained the ball in the second quarter and began a march down the field but fumbled on the St. Francis 30 yard line. The Loretta team again plunged through the line to the Westminster goal line where Dible returned it to the Westminster 20 yard marker. Dible again took the ball and with the longest run of the game carried it to St. Francis' 40 yard line. Again the play seesawed back and forth with both teams using an overhead attack. The half ended as Havrilla completed a pass to Dible.

Both teams played on equal terms during the first part of the second half with Holzapfel, a substitute Westminster back, showing up well. McLister and Smith again hit the line for the Loretta team but were held for downs. A punting duel started here but ended at the end of the third quarter as the Westminster team began to show form in gaining ground.

The fourth period saw a better Westminster team but again their play was marred by fumbles. Both teams tried a forward pass attack in the first part of the period but resorted to straight football after several passes failed. Dible again thrilled the Westminster fans as he nearly broke through the St. Francis secondary defense for a touchdown. McQuiston and Crowell, the Westminster forward pass combination, substituted at this point but Crowell was unable to get free. The game ended with the ball in the possession of Westminster about the middle of the field.

The lineups:

Westminster		St. Francis
Machin	L E	Boule
Dombrowski	L T	Ingolsby
Ayers	L G	Slatniski
Boone	C	Torquato
Smith	R G	Steel
Furno	R T	Hoganmiller
Tweedie	R E	A. Abels
Havrilla	L H	McLister
Lauder	R H	Smith
O'Donovan	F B	Joynt
Hall	Q	Kunzler

Score by periods:

St. Francis	3	0	0	0	—0

Substitutions — Westminster: Dible for Hall, Sweet for Ayers, Holzapfel for O'Donovan, Ayers for Sweet, Kelly for Machin, Hall for Dible, Crowell for Tweedie, McQuiston for Havrilla. St. Francis: Saloney for Steele, White for Slatniski, Bruno for Smith, Billedeux for Boyle, Smith for Bruno, Raetzel for A. Abels.

Officials: Referee, Baird, Penn State; Umpire, Qualley, Pitt; Head Linesman, Dewar, Pitt; Assistant Linesman, Calhoun, Westminster.

Ben Franklin Team To Open Season Today

The Ben Franklin high football team will pry off the lid on their 1927 season this afternoon, at Franklin Field, by playing the fast North Street Junior high team.

Coach Norton is well pleased with the gridiron outlook at Franklin high this year and predicts that his boys will be in the thick of the fight for the school boy honors.

Little is known of the relative strength of the North Street team, but Coach Sommerville has been working the team hard in practice and expects them to put up a good fight against the Franklinites. The North Street team will outweigh the Franklin high team.

The Ben Franklin team will lineup for today's game as follows: Cunningham, right end; Shepp, right tackle; Flemming, right guard; Deep, center; Crisci, left guard; Jones, left tackle; Alfera, left end; Ruha, quarterback; Hanlon, right half; Morgan, left half; and Mitchell, fullback.

The way some of the boys look after a game a football scrimmage ought to be called scrap-age.

Bessemer High Defeats Trade School Eleven

New Castle Trade School Football Team Gets Away To Bad Start

BESSEMER ON TOP BY SCORE 27-0

(Special To The News)

BESSEMER, Pa., Oct. 10.—Bessemer High outweighed on the line about five-pounds to the man, outfought the New Castle Trade School football team here Saturday afternoon, and emerged with a 27 to 0 victory.

Bessemer High tallied four touchdowns to snatch their important victory over the New Castle team. The Trade school boys were weakened by the loss of Ridley and Shook both experienced players, and who were out of the lineup due to injuries.

Captain "Bill" Johns, "Tex" Richards and Hahn were the only veterans in the Trade School lineup. The New Castle line, green and inexperienced and playing their first game was apparently stage frightened and although they outweighed the Bessemerites, lacked the fighting spirit and were easily outclassed by the winners.

The "unlucky break" occurred in the first quarter, the Trade School team punted on the fourth down, Bessemer blocked the punt and it was recovered by a Trade School player, the referee awarded the ball to Bessemer and put them in position to score.

Stanish, Grist and Snyder were the outstanding stars for Bessemer High, with Stanish going over the goal line for a pair of touchdowns. For the Trade School team the work of Johns, Richards, and Griffiths featured.

The summary:

Trade School 0.		Bessemer 27.
Griffiths	LE	Mack
Flynn	LT	Serjack
Strayer	LG	Howard
Waggoner	C	Shreffler
Butera	RG	McCurdy
Zanoni	RT	Macklin
Diana	RE	Stanley
Richards	QB	Stanish
Hahn	RH	Grist
Watson	LH	Glaive
Johns	FB	Snyder

Touchdowns—Bessemer, Stanish 2, Grist, Snyder.

Substitutions—Trade School, Billijak for Watson, Mariacher for Strayer.

'Big Six's" Four Series — By Feg Murray

World series always bring visions of the courageous, artistic pitching of Christy Mathewson, and likewise the annual fall championship games will always be saddened by the remembrance that this great athlete and true sportsman died during the Pittsburgh-Washington series in 1925.

It is just twenty-two years now since "Matty" was in the midst of the greatest feat of his whole pitching career. On October 9th, 1905, he shut out the Athletics with four hits, the Giants winning 3 to 0. The great Eddie Plank was Matty's rival, and Hartsel, Lord, Davis, Lave and Monte Cross, Seybold, Murphy, and Schreckengost were the other members of Connie Mack's champions that bowed before the wizardry of Mathewson's great pitching. Three days later "Big Six" again blanked the American League champions, this time winning 9 to 10, and again allowing only four safe bingles. Andy Coakley was the losing pitcher on October 12th. Two days later, this time in New York, Matty weakened to the extent of allowing six hits, but beat Chief Bender and his team-mates in the series final, 2 to 0. He had not allowed a run in 27 innings!

Now skip to 1911, Matty's next world series, Philadelphia vs. New York again. Matty beat Bender in the first game, 2 to 1, allowing six safeties. In the third game, on October 17, Matty allowed nine hits on eleven innings and was beaten by Coombs, 3 to 2. But one of those nine hits was J. Franklin Baker's second home run of the series. The fourth game was played a whole week later, due to bad weather. Matty was taken out in the eighth, and replaced by Wiltse. The Athletics won, 4 to 12.

In 1912,, "Big Six" pitched the second game against the Red Sox, which was an eleven-inning tie. He allowed only five hits in the fifth game, yet was beaten, 2 to 1. Then came the heart-breaker on October 16th that went ten innings and decided the series in favor of Boston, four games to three. In it Snodgrass made his famous muff, and Matty lost again, this time 3 to 2.

The following year was Mathewson's last in a world series. He won the only game the Giants could capture from the Athletics, shutting out Connie Mack's men with eight hits in the second game, and winning over Eddie Plank, 3 to 0. Plank got revenge in the final on October 11, on the mound in championship contests.

The Fall meeting of the Maryland Jockey Club will open at Pimlico November 1.

Geneva Harriers Lose In Race At New Wilmington

Westminster College Cross Country Team Is Winner On Saturday

(Special To The News)

NEW WILMINGTON, Pa., Oct. 10.—Geneva's 1926 tri-state conference championship harrier team went down to defeat here Saturday when the Westminster cross country men, mainly through the terrific pace set by Captain Wesley Rose of New Castle and Orvil Mirtz, last year's captain, romped over the Fayette five and one-half mile course to win the meet by a 22-33 score. The winning time was 31 minutes.

Rose and Mirtz set the pace and lead the field for the entire distance, giving Sid Lockley, Geneva flash, plenty of opposition. Mirtz and Rose finished in first and second positions, but a few feet apart. They were followed by Lockley and Dwight Piper of Geneva. Next in order came David and Elmer Myers of the Blue and White outfit, taking fifth and sixth places. John Piper, another Geneva runner, finished seventh, and King, Westminster, took eighth place with Wallace, another Westminsterite and Ellis taking ninth and tenth positions. Doak and Kenst, the last two to score for Geneva, placed back in twelfth and thirteenth positions respectively.

This victory in the first meet of the season has encouraged Coach R. X. Graham and his men to believe that Allegheny might be beatable when they are met in Meadville next Saturday as a preliminary to the Allegheny-Westminster football game.

five yard and the ball was brought to rest on the 32 yard line. After a five yard penalty, a pass was intercepted by Craft on Donora's 28 yard line. Harper made nine yards off tackle. Reider made it first down on the 12 yard line. Sage hit the end for five yards. Sage fumbled but recovered on the 18 yard line. Reider brought the ball to the 15 yard line as the quarter ended.

Fourth Quarter

On a triple pass, Sillman ran over for a touchdown. The point was missed. Score, New Castle 44, Donora 0.

Sillman kicked to Ercius on the 15 yard line and the ball was returned to the 32 yard line. Ercius was then thrown for a five yard loss. New Castle intercepted a pass on the 34 yard line, and on the next play was penalized ten yards. Fernati, who substituted for Reider, made seven yards at center. Sage put the ball on the 30 yard line, and after a pass had failed, Sillman hit center for a touchdown. Sillman also kicked the point. Score, New Castle 51, Donora, 0.

Sillman kicked off to Schmitt on the 12 yard line, who returned the ball to the 19 yard line. Ercius made three yards through center. Griffie failed to gain at tackle, and Schmitt failed at end. Ercius punted to Sillman on New Castle's 45 yard line, who returned it to Donora's 28 yard line. Smith, who was substituted for Harper, went through guard to the 22 yard line. A lateral pass. Sillman to Fernati, gained two yards. Sage, on an off tackle play, carried the ball to the 11 yard line. On a fumble, Smith lost three yards. Fernati on a short end run, placed the ball on the seven yard line. Sage rounded the end for a touchdown and ran over for the point. Score: New Castle 58, Donora, 0.

Sillman kicked to the 28 yard line, Griffie, who was stopped in his tracks. A line buck netted Donora two yards. On a pass, Griffie to Matheus, Donora made a first down. Fernati then intercepted a pass on the Donora 39 yard line. A pass, Sillman to Kulick, put the ball on the 25 yard line. Another pass netted a five yard penalty. Neal of Donora, intercepted a pass as the game ended. Score, New Castle 58, Donora 0.

Koenig Is Star In Series Games

Yankee Shortstop Plays Brilliant Afield And Bats For Average Of .500

PIRATES FAIL TO HIT EFFECTIVELY

By LES CONKLIN
International News Service Staff Correspondent

NEW YORK, Oct. 10.—Although the 1927 World Series failed to produce an outstanding hero, the best playing was done by Marcus Aurelius Koenig, shortstop of the Yankees. Mark's performance was especially noteworthy in that he was the official "goat" of the 1926 series.

Koenig led the regulars in batting with a juicy average of .500 and fielded perfectly. With him out of the lineup, the Hugmen never would have scuttled the Pirates in four straight games.

John Miljus Pittsburgh pitcher, had a chance to become the hero of the classic when he fanned Gehrig and Meusel with the bases loaded in the ninth inning of the finale. But he let the winning run trickle across the plate on a wild pitch, and thus became the "goat" of the last game.

Herb Pennock pitched a three-hit game against the Pirates, but he also performed that stunt against the Cardinals last year. In the general excitement attending his feat this year, not one fan in ten recalled that fact.

Babe Ruth hit two homers, but that seems like a slump for the Bambino when one remembers what he did against the Cardinals last year.

The real hero of the series was Col. Jacob Ruppert, owner of the Yankees. When the Yanks won on Saturday, erasing the golden prospect of a $200,000 Sunday gate, the good Colonel led the applause.

Purchasers of tickets for the fifth game can get their money back by mailing the tickets to the Yankee offices here.

Babe Ruth's two homers gave him 426 for his entire career. His ten homers for the series broke his own former record of eight. The Bambino broke seven other world series records. His complete series batting mark which is now .275.

Pirates Fail To Hit

The Pirate regulars who fell down were Glenn Wright, who batted only .154, Joe Harris and Pie Traynor who batted .200, and the catchers, who failed to get a hit between them. Meusel, with a horrible mark of .118 was the only Yankee weakling.

Urban Shocker and Dutch Ruether, two of New York's best pitchers, failed to get into the series, they, with their team mates, each will receive $5,702 however. Ruether also failed to get into the 1925 series when Washington played Pittsburgh.

The members of the Yankees were scattering to their homes today. Earl Combs was speeding to Kentucky to see for the first time a six-weeks' old baby daughter, born during the season. Meusel, Lazzeri and Moore left for their homes in the West. Koenig, Shawkey and Bengough will go hunting, and Babe Ruth and Lou Gehrig are scheduled for a barnstorming tour.

The Pirates are in Pittsburgh. How they felt about their crushing defeat was indicated in a report that Glenn Wright had been arrested on a charge of reckless driving.

By NORMAN E. BROWN

The close finish in the National league race, followed by the poor showing of the Pittsburgh Pirates early in the world's series games with the Yankees has started anew the old cry:

"The best team didn't win the pennant in the National league."

And along with that cry comes the agitation again for some sort of an elimination series between the two or three leading teams of each league to precede the inter-league clash.

Jack Hendricks, whose Cincinnati Reds always have been contenders in the National league race and had a look-in for a time this year and finally did have something to say in crushing the chances of the Cubs and Cards, although the Giants cleaned up on them, attended the games.

"It would be interesting for the fans, perhaps, but wouldn't mean much in the first place," said Jack. "A team that wins the most games over a stretch of 154 ball games is entitled to be called the best team. Any short series that follows, like the world's series, is a pro and con affair—an uncertain proposition. There always will be a question as to which was the better team in such a series. Bring two more or four more teams into a post-season series of any kind, lasting only a few games, and you would simply add to the discussion.

"The world's series in which we played was a nine-game series, but that wasn't satisfactory.

"Secondly, you yould have to curtail the regular season further to prevent a greater overlapping into the football season. I think we run too late now. We are fortunate when we have good weather for the world's series."

The disappointing playing of the Pirates got on the nerves of even the most enthusiastic Pirate supporters before the late innings of the second game.

Fielding errors in each game seemed to throw the team into a state bordering on demoralization. There was no effort toward strategic base running. It must be said in defense of the Pirates, that the situation was such at all times in both games that there was little excuse for using the sacrifice. The old John clout was needed most of the time.

Those who witnessed the second game at Pittsburgh also witnessed the unusual spectacle of the home town fans turning against the manager who had lifted the team from a demoralized outfit to a pennant-winning team. Fans stood up in blocks to demand the substitution of Hazen Cuyler, star outfielder, for weak hitters. Cuyler's suspension, and subsequent exclusion from the lineup of the team in the late weeks of the campaign had been the cause of comment before that, but not for outspoken disapproval.

There also came cries of "Bring on the Cubs."

DODGE BROTHERS SENIOR SEDAN

UPHOLSTERED IN GENUINE LEATHER AT $1495

F. O. B. Detroit

Dodge Brothers Senior Sedan —America's Smoothest Six— is now available in genuine leather upholstery.

Although, in cars of this class, leather finish is usually quoted at a higher price, Dodge Brothers are offering this fine car at $100 less than the price of the Deluxe type Senior.

The leather is an attractive gray polo grain. It is extremely durable and easily cleaned, making the car especially desirable for sport and suburban use.

The exterior color combinations—Brunswick blue with black belt moldings and cream belt line striping—harmonize beautifully with the Senior's stylish lines.

It is a distinctive car—and a rugged car. A car with amazing qualities of performance. An outstanding value at this new price!

HIGH LIGHTS OF HISTORY

First Trans-Continental Railway—Part I.

by J. CARROLL MANSFIELD

Registered U. S. Patent Office.

THE STORY OF THE FIRST TRANS-CONTINENTAL RAILWAY IS A THRILLING AND INTERESTING CHAPTER IN THE HISTORY OF OUR COUNTRY. IN 1846, ASA WHITNEY, A NEW YORK MERCHANT ENGAGED IN TRADE WITH CHINA, PROPOSED TO CONGRESS THAT A RAILWAY BE BUILT TO THE PACIFIC

IN 1848 CAME THE DISCOVERY OF GOLD IN CALIFORNIA, AND INTEREST IN THE RAILWAY PROJECT WAS RENEWED. PROSPECTORS WHO WISHED TO AVOID THE ARDUOUS OVERLAND JOURNEY TO THE PACIFIC COAST WERE FORCED TO GO BY BOAT TO PANAMA, CROSS THE ISTHMUS, AND BOARD ANOTHER VESSEL BOUND FOR CALIFORNIA.

AT THAT TIME THE VAST REGION THAT LAY BETWEEN CALIFORNIA AND THE STATES JUST WEST OF THE MISSISSIPPI WAS NOTHING BUT A WILDERNESS, INHABITED BY ROAMING TRIBES OF SAVAGE INDIANS, AND BROKEN ONLY BY THE MORMON COLONY IN UTAH AND A FEW WIDELY SCATTERED MILITARY POSTS.

A TROOPER OF THE PLAINS.

IN 1860 THE POLITICAL PARTIES OF THE DAY WERE DEMANDING A TRANS-CONTINENTAL RAILWAY, AND THE OUTBREAK OF THE CIVIL WAR THE FOLLOWING YEAR PLAINLY SHOWED THE NEED FOR SUCH AN UNDERTAKING TO BRING THE EAST IN CLOSER TOUCH WITH THE FAR WEST.

Legal Notice.

Lawrence County, ss:

The Commonwealth of Pennsylvania to Edgewood Acres Land Co. and Cherryhurst Land Co., Luther M. Buchanan and I. Dwight Moore, greeting:

Whereas, The City of New Castle, on the 2nd day of September, A. D. 1922 filed its claim in our Court of Common Pleas of Lawrence County at No. 59 Sept. Term, 1922 M. L. D., for the sum of $61.34 with interest from the 4th day of April, 1922 for the construction of the Mercer Street Sanitary Sewer from Fairmont Avenue, northwardly to Englewood Avenue, being Mercer Street Sewer Extension No. 2 against the following property situate in the Second Ward, of said City of New Castle, bounded on the north by alley, south by Fairmont Avenue, west by Mercer Street fronting 125 feet, more or less, on said Mercer Street and extending back therefrom feet, more or less and being City Lots Nos. 404 and 405 in Section 4 and being lot No. 1 on the map or plan annexed to the viewers report owned or reputed to be owned by you;

And Whereas, We have been given to understand that said claim is still due and unpaid, and remains a lien against the said property;

Now, you are hereby notified to file your affidavit of defense to said claim, if defense you have thereto, in the office of the Prothonotary of our said Court, within fifteen days after the service of this writ upon you. If no affidavit of defense be filed within said time, judgment may be entered against you for the whole claim and the property described in the claim be sold to recover the amount thereof.

Witness the Honorable R. Lawrence Hildebrand, President Judge of our said Court this 7th day of September, A. D. 1927.

R. M. CAMPBELL, Prothonotary.

N. Y. STOCKS

(International News Service)

NEW YORK, Oct. 10.—Both the railroad and the industrial stocks moved through a narrow range of prices in the early trading today. Unsettlement in the money markets and disappointment over the unfavorable showing of steel and other important industries were cited as the cause of fairly heavy liquidation of some of the leading stocks, and possible short selling. But the supply of stocks at the low levels appeared to be comparatively small, and persistent buying resulted in a number of moderate rallies before the end of the first hour.

New advances were inaugurated near the end of the first period in a number of the better grade of dividend-paying industrial and utility stocks. American Tel and Tel was easily the leader, with a new advance to above 185, breaking all of its former records. General Motors moved up 2 points, DuPont 2, and U. S. Steel was able to advance more than a point as soon as the early selling orders had been taken care of. Houston Oil rose 3½ and Gold Dust added 2 to last week's 10½ point advance and the oils continued to march down the hill.

"Master Hangman"

Phil Hanna of Epworth, Ill., is known as the "master hangman" of that state. He has prepared 55 men for execution on the scaffold. He began his career as an executioner 30 years ago. His work with the noose and hood will end Oct. 15 when Charlie Birger, notorious gangster, is hanged. A recent law substituted the electric chair for the scaffold.

Among the trotters Iosola's Worthy is the loading money winner of the year with more than $55,000 to her credit.

Boys Take Over Vacant House In South Side Area

Assistant Fire Chief H. Clare Stockman and an assistant answered a call to the Pollock avenue district Sunday about noon. It was stated when the call was received that some boys had a fire in a vacant house and it was feared that some damage might be done.

Assistant Chief Stockman and his assistant arrived on the scene in short order. They found the vacant house. The windows were broken out and the doors broken open and it looked very much the worse of wear.

Going upstairs they came to a door that was closed and apparently locked. The assitant chief knocked on the door and a young man opened it slightly. On seeing who was there, this young man banged the door shut and locked it. There was a sound of much scurrying evidently for cover.

The assistant chief forced open the door and on getting in there found a fire in the grate and a number of boys. He found out that the father of one of the boys had been supposed to look after the property for the owner who resides in Youngstown.

The boys had taken it upon themselves to use the place as a shanty or meeting place. The boys were required to put out the fire and gave their pledge to remain away from the place.

In the scramble to get away two of the older boys went out windows and were hanging on in perilous positions when found by the assitant chief.

Missionaries Give Farewell Message

Large Crowds Hear Mr. And Mrs. C. C. Ryan In Gospel Tabernacle

Gospel Tabernacle of the Christian Missionary Alliance on Pearson street was filled to capacity at both the morning and evening services on Sunday to hear the farewell messages of Mr. and Mrs. C. C. Ryan, who will sail October 22 on the S. S. Leviathan for France, where they will later go to French West Africa to resume their work in the mission field.

Mr. and Mrs. Ryan told of their experiences as missionaries in this foreign field in a very graffic manner, telling especially of the domestic life of the natives. The lower part of their houses is made of cement and the upper part is made of mud with a roof of bamboo branches. The women do all the heavy work, while the men do the lighter duties of the household.

Mr. and Mrs. Ryan and their two children, Alice Carolyn and Judith Rose, returned to the United States last March. While in this city they have been the guests of Mr. and Mrs. William Shira of East Main street.

Local Volunteer Firemen Will Go To Ellwood

Volunteer firemen of this city will on Wednesday evening go to Ellwood City to participate in the parade to be held that night in connection with Fire Prevention week celebration being held there. The firemen will meet at 7 o'clock that evening at the Central fire station here for the purpose of going to that city in a body.

Police To Aid All Delegates

Special instructions were issued today by Chief of Police Henry Dysart to the members of the police force to extend every possible courtesy to the visitors attending the Pennsylvania State Sabbath School Association Convention here this week.

This is especially for the visitors coming here in automobiles. They will be provided with special tags, on which it is stated that they are accorded all the privileges of the city.

Instructions to the officers are to the effect that the visiting strangers may park as long as they wish and where they wish, except in restricted districts and in front of fire hydrants, except where it may interfere in some way with traffic.

GETS MEDAL FOR CULINARY SKILL

Crown Prince Gustaf Adolph of Sweden has bestowed a medal of honor upon Mrs. Lydia Bungener of St. Paul, Minn., for her proficiency in preparing a meal "fit for a king." Mrs. Bungener had charge of the kitchen at the home of Secretary of State Frank Kellogg at St. Paul when the crown prince visited Kellogg.

Minor Accidents Are Reported Here

Number Of Cars Are Damaged In Collisions On Streets

A number of minor automobile accidents were reported to the police over the week-end. Joseph Bryan of Volant reported that he was driving north on North Liberty street at Swansea avenue, when the car of Robert Maloney, 30 South Front street, going in the same direction at a high rate of speed, hit and damaged his car. Maloney in a report made claimed that the lights of his car went out just as he came to the other machine and that he was unable to see and avoid hitting the other car. Bryan alleges that Maloney did not stop to determine the extent of the damage done.

William J. Ayers of R. D. 2 reported Sunday that he was driving south on North Jefferson street at the north side of the public square when a car bearing Pennsylvania license C59-064 going north on Jefferson street and making a turn onto West Washington street, hit and damaged his car. Both machines had the green light.

Albert F. Blair of 529½ Sampson street reported Sunday that his machine was standing in front of his home when a car going south on Sampson street and the license number of which he did not secure, hit and damaged his machine.

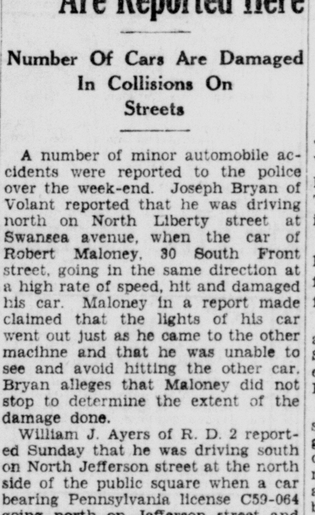

C. B. Gibson of 313 Meyer avenue reported Sunday that he was driving east on East Washington street at East Lutton street, when a car bearing Pennsylvania license 761-124 going in the same direction turned to the left into Lutton street and a near serious accident was narrowly avoided.

Sister Of Noted Paul Jaworski Is Given Her Release

(International News Service)

DETROIT, Oct. 10.—Miss Elizabeth Jaworski, 24, sister of Paul Jaworski, was released on a writ of habeas corpus today when police told Judge Thomas F. Cotter that they had nothing on which they could hold her.

Police said they were forced to release Miss Jaworski because of the failure of a fugitive warrant to arrive from Pittsburgh.

Miss Jaworski was detained shortly after the arrest of another brother, Sam, who is charged with having aided Paul Jaworski, in a jail break in Pittsburgh.

Miss Jaworski denied charges that she knew where the Jaworski bandit gang had thousands of dollars of loot concealed. She refused to tell the number of a safety deposit box she admitted renting in a downtown bank.

Temperance Talk At Ministers Meeting

Dr. Crea Of The Anti-Saloon League Of Pittsburgh Gives Fine Message

Dr. Crea, representative of the Anti-Saloon league of Pittsburgh made the principal address at the meeting of the New Castle Ministerial association this morning in the Y. M. C. A.

Dr. Crea told of the new developments of the Temperance situation. He said that the churches and Christian people had still a great fight on against the liquor forces.

Ray F. Hall of the New Castle Credit Association was present and gave a brief sketch of what the association was doing. He asked the ministers to do what they could in improving the character of people in regard to paying their just debts.

The program committee reported and gave the names of the various speakers for the meetings of the Association during the year. Rev. S. B. Copeland, extended an invitation to attend the dedicatory services of his new church building on Sunday, October 16.

Machine Crashes Into Bridge, Man Dies In Hospital

(International News Service)

KANE, Pa., Oct. 10—Vincenzo Pupo, 58, of Johnsonburg, died in Bradford hospital early today from injuries he sustained when the car in which he was riding crashed into a bridge at Smethport, near here.

Three other occupants of the machine, all of Johnsonburg, were seriously injured but physicians say they will recover. Pupo's skull was fractured, his jaw broken and an arm and leg fractured.

The accident occurred when Pupo's car, leaving Smethport for Johnsonburg, drew out of line to pass two cars. It passed the first when the second pulled into the middle of the road, forcing Pupo into the side of the bridge, and wrecking it, it was stated.

Barn Burns Near Altoona, Loss Is Placed At $10,000

(International News Service)

ALTOONA, Pa., Oct. 10—Loss estimated today at $10,000 was caused in a fire believed of incendiary origin, that destroyed the barn of Robert Wigton, at Seven Stars, near Tyrone, during the night. Five horses perished in the blaze, besides large quantities of oats, hay and potatoes.

Raised Bill Is Passed In City

Police were called upon this morning to assist in the adjustment of a case of a $5 bill which had been raised to $20 and passed on a local merchant.

This merchant not realizing that he had a raised note paid it out to another man for whom he cashed a check. The second man used the bill and it was returned to him when it was found to be a raised bill. He in turn returned it to the merchant.

The merchant then called upon the police for assistance and he was taken to his bank where it was deposited and will be returned to Washington for redemption at its face value.

The merchant is out just $15.

Father Trying To Get Child From Her Grandparents

Habeas Corpus For Delores Ferranti Is Heard By Judge Chambers Today

Before Judge J. A. Chambers in Lawrence county court, this forenoon a habeas corpus case brought by Patsy Ferranti to get possession of his daughter, Deloris Ferranti, aged 6 years, was heard.

The child has recently been with her grandparents, Mr. and Mrs. Frank Webster. The case was originally brought in the courts at Ridgeway, Pa.

Ferranti was married to Frances Webster, a daughter of Mr. and Mrs. Frank Webster. They were living at Ridgeway, when they separated and Mrs. Ferranti secured a divorce. In habeas corpus proceedings at Ridgeway the custody of the child was awarded to the mother, as long as she remained single. Mrs. Ferranti brought the child to the home of her parents. She was later married to Thomas McCabe, and the sheriff was unable to find her when he was given the papers to serve.

Ferranti claims that under the Ridgeway order he is now entitled to the custody of the child. Instead of fighting it out in the Ridgeway courts a new action was brought in the local courts. The grandparents have become very much attached to the child and say that they are willing to give her a good home.

Testimony was introduced to show the nature of the home that could be provided by both parties. If awarded the child the father expects to keep her at the home of a brother, Joseph Ferranti, of Ridgeway. Judge Chambers reserved his decision until this afternoon.

Sharon Minister Accepts Call Here

Rev. C. O. Anderson to assume Pastorate In Gospel Tabernacle, October 16

Rev. C. O. Anderson, pastor of the Christian and Missionary Alliance church of Sharon has accepted the call extended to him by the congregation of the Gospel Tabernacle of the Christian and Missionary Alliance, Pearson street this city and will assume his pastorate next Sunday, October 16, it was learned today.

Rev. Anderson has had a wide experience in religious work and has had several charges preceding his pastorate in Sharon. He is an able minister and the congregation is very fortunate in securing him. His wife is also a minister.

The pulpit has been vacant since the resignation of Rev. Herbert Dyke in September, who accepted a call to a large church in Orlando, Fla.

Accused Woman Attends Church Service In Jail

Mrs. Ina Whitlatch, held in the county jail on a charge of murdering her husband, William R. Whitlatch, is now apparently in a much improved mental and physical condition, according to Sheriff H. M. Reynolds. She has lost much of the nervousness which marked her condition, when first placed in the county jail and is now eating fairly well.

She was last night permitted to leave her cell and attend the jail church services. She apparently took a deep interest in the services as conducted there.

HOUSEHOLD HINTS

BY MRS. MARY MORTON

MENU HINT.

I became acquainted with butterscotch pie on a brief sojourn in Indiana and it is a family favorite. I find I get the best results if I first cook the sugar and butter moistened with a little milk until brown and then mix the other ingredients and cook until thick. It gives it that good caramel taste that to me is the proper butterscotch flavor

NEW CASTLE DRY GOODS CO.

Roaming Round With Richards

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle.

It is by comparison that things sometimes show up in their true light. Not always, of course, for comparisons are sometimes odious, but occasionally comparing our own city with neighboring cities, shows us what we may lack.

All of which is prefatory to the statement that our curb lights on Washington street are either too small or are nearly burned out, or they are too few in number.

To appreciate what is meant you must take a look at some of the other cities nearby and then drive into New Castle. Youngstown is one good example. Now there are lots of things that Youngstown lacks, but they do have a downtown business section that is well lighted.

Ours could be just as good with little added expense if the globes in the light poles were larger.

The explanation of Pittsburgh's debacle in the late lamented world series has been brought out. Tommy Blake wasn't there! For the first time in years Mr. Blake missed the series and you saw for yourself the result.

For the next three or four days let's all be boosters for New Castle. There will be hundreds, yes, thousands, of strangers in the city, and they will carry away their impression of New Castle from the manner in which we treat them.

They will want to know a lot of things. Give them any information they ask, and try and give it with a smile. This is an opportunity for New Castle to get a lot of statewide publicity and we might just as well make it favorable publicity. If you get a chance to pick up a Sunday school convention delegate in your car, do it, and "sell" New Castle to him. Tell him what a fine town we have, make him believe that New Castle folks are real people. Let's be neighborly.

Another piece of repaving has just been done, that strip between North and Falls on Mercer street. A sort of carpet leading to The Castleton. Nice work and it's finished just in time for the convention.

Some observations while standing at the corner of Washington and Mercer streets, watching the steel work go up on the new First National Bank. The words are those of the spectators.

Wonder what they get paid for that work—there he goes up that beam again, like a monkey or a squirrel—how much, $12 a day—not enough for me—oh, it's about 110 feet high—I remember watching the Woolworth building go up—the way he catches those red hot rivets makes you think he was a ball player—they say that little fellow spent five years in a hospital once—oh, yes, those fellows fall down occasionally—wonder if they have creases in their knees from sliding down—no, I wouldn't be afraid to go up there, but what's the use—wonder if that steel boom fell down if it would knock over the Clendenin building—there goes another beam up in the air—well, let's go to work.

Glenn Wright Driver Of Machine That Figures In Pittsburgh Crash

(International News Service)

PITTSBURGH, Oct. 10.—Charged with reckless driving, Glenn Wright, shortstop of the Pittsburgh Pirates, must appear in court or forfeit $100 bond.

Shortly after he returned from New York Sunday morning, Wright's roadster collided with a car driven by Melvin Morgan, 32, and lifted the Morgan car atop a signal beacon. Morgan also posted $50 on a reckless driving charge.

Morgan and three passengers in his car were injured, but none of the occupants of Wright's machine was hurt.

York Celebrating 150th Anniversary

Stirring Revolutionary War Days Recalled As Big Celebration Starts

(International News Service)

YORK, Pa., Oct. 10.—York's guest list was swelled to thousands today as visitors from all parts of the country arrived to attend the celebration of the 150th anniversary of the stirring revolutionary days when this community was the Capital of the United States.

The city was ablaze with color. Arrangements have been made to entertain 20,000 guests. The feature of the four day program is to be the pageant, "The White Rose of York," in which nearly five thousand participants are to portray the history of York, tracing it from its English origin to the days when the Continental Congress, in 1777, fled from Philadelphia before the British advance, and continued its deliberations here.

Yesterday's religious services brought thousands to the York County Fairgrounds to hear a chorus of 1,000 voices. A program of sermons followed.
